LSC 18th Year Anniversary

We praise God for all He has done through us over the last 18 years; hundreds of salvations and re-commitments, several hundred water baptized, people miraculously healed, relationships restored, bondages broken, people walking in love and unity, tens of thousands of dollars given to spread the Gospel, and to help those in need across the street and around the world! WE have had an impact on the Kingdom of God and have made an **eternal difference** through our faith in Jesus Yeshua...**and the best is yet to come!** Well done good and faithful servants!

Our book "**The Final Battle: America is Divided and the End-of-age Final Battle has begun**" is ready for the final review before we have it printed. We are self-publishing in order to own 100% of the rights so we can give the book away. We already have an ISBN number, a copywrite, and a barcode. The book has 9 chapters and will be about 90-100 pages. **This is OUR book, the copywrites belong to us, Life Song Church.** We are leading the way in this battle looking for other churches in the Thumb to join with us. We are **not ashamed** of the Gospel of Jesus Christ. We live the Power of Praise. We carry the Morning Star Authority Mantel and will Ignite the Thumb with Praise, Worship and the Glory of God! It is not a coincidence that the completion of this book is during our 18th Year Anniversary season! I didn't try to make this happen; it just did. Pray for God's anointing upon this book to break the **self-curse** and **deception** on America.

The spiritual significance of the number 18: When you are eighteen, you are legally an adult, and your signature is binding. **This book is our signature, our ethos;** we are spiritual warriors for our Lord Jesus and His Kingdom, destroying the works of darkness. We are called for such a time as this! God is making His enemies His footstool before the return of our Lord Jesus. God does everything by design, and numbers have spiritual significance. 18 would be spiritually analyzed as a number by itself, and as 10 plus the number 8.

Ten: denotes the perfection of Divine order, and this Divine order implies **man's responsibility towards God** as to responding to the Word of God. Man was created with 10 fingers and 10 toes as a symbolic gesture that we are created to walk-out and put our hand to, God's Divine order, living His 10 commandments. Tithing is giving back to God what He said is His. This is 10% of our increase, and it is a **test** of our faithfulness as stewards of His Kingdom. Jesus gave us the parable of the 10 Virgins with 5 being wise and 5 being foolish demonstrating our responsibility towards God. In the book of Matthew there are 10 parables about the Kingdom of God. Egypt's judgment wasn't complete until they suffered 10 plagues, at which time God's people were released from bondage. 10 relates to a season of testing that yields blessing or judgment. When LSC was 10 years old, we were finishing up our new addition.

Eight: denotes a **new beginning** as it is associated with the resurrection and regeneration, the beginning of a **new order of things** as Jesus was raised from the dead on the eighth day of the week. God flooded the earth and started over with 8 people. In the Old Testament a new priest was consecrated for 7 days and on the 8th day he entered his work. ***"The eighth Psalm** announces the **new Kingdom**, the Kingdom of Christ, crowned with glory and honor, and with all things put under His feet" *Numbers in the Bible by Robert D. Johnston.

Ps 8:1-2 *O Lord, our Lord, How excellent is Your name in all the earth, Who have set Your glory above the heavens! 2 Out of the **mouth of babes** and nursing infants You have **ordained strength** (praise), Because of Your enemies, That You may silence the enemy and the avenger. God **ordained praise** to silence and defeat our enemies and bring forth His Kingdom!*

F/N SFLB: "**Babes;** Jesus plucked the first phrase of this verse and used it to justify young people praising Him as Messiah (Matt. 21:16)." In **Matt 21:15** the children (youth) were crying out to Jesus "*Hosanna to the Son of David!*" in the temple, and the chief priests and scribes heard this and were indignant, and said to Jesus, "*Do You hear what these are saying?*" Jesus responded with "*Yes, have you never read 'Out of the mouth of babes and nursing infants, You have **perfected praise?**'*" Kingdom Dynamics SFLB: "*Perfected praise will produce strength! It is powerful!*" Have child-like faith!

18th Anniversary spiritual meaning: We have been tested and put into God's Divine order, perfecting praise, and are entering a new phase of ministry, into a greater resurrection power as the second coming of Jesus Christ and His new Kingdom will be brought forth through powerful praise and great teruah shouts. The young will be instrumental in leading many into the spiritual throne room of God, releasing great glory! Sounds like confirmation to me!
