## The Gospel According to...Prophecy

We (LSC) must be confident and filled with faith about **who we are in Christ** and about what we believe God has for us. For 12 years the Lord has been developing us as spiritual warriors, but even more so in the last 5 years.

**Dec 26, 2014 Prayer Journal:** "I received (at LSC office) a great revelation to walk out the Prophecy of Jesus Christ." I wrote this down after the presence of the Holy Spirit filled me with wave after wave of anointing. We have always had some prophetic anointing, but this opened the flood gates of Heaven. **2015 September 13** 14th Year Anniversary the Eve of The Feast of the Trumpets and God gave us our "Trumpet Voice" from **Isa 58:1**. Other Christians don't have to agree with us and that is fine. **We are spiritual warriors with a prophetic gifting**. The book "Final Battle" will take us to another level of spiritual warfare. God confirms His prophetic Words to give confidence and build faith.

**April 6, 2019 Prayer Journal:** "A boldness for Righteousness!" "The Church has been compromised, and instead of preaching the Gospel with boldness, we are afraid of offending everyone and have become spiritual cry-babies, justifying complacency. We appease sin instead of destroying it. Christians are watering down the Gospel to make it more appealing, but in reality, they are denying its power. Instead of setting people free, they are left in bondage." Around this same time, I heard "Not Ashamed! Not Ashamed!" and this kept repeating in my mind with the boldness and ferocity of a battle cry. This led to the message series "The Final Battle" which led to our book.

**July 28, 2019 Sunday message;** "The Final Battle; Not Ashamed!" which included a prayer for boldness and power based on **Acts 3:1-10** and **Acts 4:1-31** where the Disciples were told not to mention the name of Jesus, but they prayed for boldness, signs and wonders. This was our last message about The Final Battle and we invited everyone to come up to the altar, gather around the cross, and we knelt down, striking this region with the Word of God. "Together as One, we fight for the glory of our Lord Yeshua Hamashiach and for the souls of men!" and we had a banner made, not just for the series, but as a declaration claiming the Thumb for the glory of our Lord.

**September 15, 2019 Pastor Mike Benson** gives the **message about boldness** and preaches from **Acts 3:1-10** and **4:1-31**, which yielded the most powerful signs, wonders and miracles that we ever have experienced in one service! I had no idea what he was going to preach about.

**Wednesday 9-25-19** After allowing several people to read the manuscript for our book The Final Battle, a couple people had a concern about the book being too bold. I respected their input and brought it before the Lord in prayer. Again, I heard and wrote in my Prayer Journal; "Stop appeasing sin; Not Ashamed!" and "**All things will be shaken,**" meaning this needs to be very bold in order to shake people and get their attention before God shakes all things. I knew the Holy Spirit was referring to **Heb 12:27-28:** "**Yet once more I shake not only the earth, but also heaven.**" 27 *Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain. 28 Therefore, since we are receiving a kingdom which cannot be shaken.* The next day I was still praying about the book being too bold and Dr. Lance Wallnau was on the Jim Bakker show

**The last chapter of The Final Battle book is "Lift the Banner! We are not Ashamed!"** In the Bible the words "standard" and "banner" are basically synonymous. We are hoping the book will not only cast down the deception over America allowing people to see the truth, but rally regions together releasing the power of the Gospel in a spirit of boldness with signs and wonders. This is our first prophetic book, launching us to another platform.

"We have just entered into the Jewish New Year 5780. It is the year of the mouth! We are getting ready to approach 2020 and I am declaring this year to be the year of the prophet. We are in the midst of a new prophetic movement. More than that, I daresay it is a prophetic awakening. We are seeing an emerging generation of prophetic sons and daughters rising into their destinies and callings! It's a new breed, a new prophetic company! **A Great Shaking** God is raising up a remnant, a company of prophets, even in the midst of a great shaking! The Word of God tells us that everything that can be shaken, will be shaken (Hebrews 12:27). Let us be reminded in these times of shaking that we are part of a Kingdom which cannot be moved (Hebrews 12:28). I heard the Lord say to me recently, "Those that survive the shaking will be a voice for a generation!"
