## The Wall: Thanksgiving Choir

**Jonathan Cahn** just stated the year 2020 is the “make or break” year for Christians. 12-1-2019 Jonathan Cahn’s daily devotional Sapphires “2019 was a year that witnessed an acceleration in America’s departure from God and the **war** against biblical faith and morality.” Rabbi Cahn went on to note this all took place under the administration of a conservative president, and if he is removed it will open up the flood gates. This is the 400<sup>th</sup> anniversary of the Mayflower landing at Plymouth Rock and the founding of America as a Christian nation. 2020 is up to us!

**The Spiritual Temple-Tabernacle** is the resurrection of the tabernacle of King David (**Acts 15:16,17** and **Amos 9:11**). King David’s tabernacle is symbolic of true expressive undignified (unashamed) praise and worship from a pure-loyal heart. Kingdom Dynamics in my SFLB refers to **Isa 58:1-14** as the corresponding Scripture (Trumpet Voice!). Before the third temple is physically built in Jerusalem, there will be a foreshadow in the spiritual realm.

**The Spiritual Walls** are the last dimension in the building of the spiritual temple. In the book of Nehemiah, the last thing completed were the walls around Jerusalem. Then many Jews returned to Jerusalem as temple worship was restored to its rightful honor. Is there a foreshadow of this happening in America today? Yes.

**SFLB Introduction to Nehemiah** explains how the wall enabled Judah and Benjamin to remain as **one** and the covenant was renewed. The enemies inside the wall were **exposed** and dealt with very firmly. The people were **restored to obedience to God’s Word** as Nehemiah the Governor works with Ezra the Priest. Nehemiah eradicated the **evil of compromise** leading to a spiritual renewal. According to Perry Stone; Nehemiah with the help of Ezra restored the temple rituals, the 7 feasts, the Sabbaths, and the worship of David.

The first things restored on the walls were the gates. **Control the gates, you control the city.** Throughout the building process they were attacked and harassed by their surrounding enemies who were led by Sanballat. When he heard about the rebuilding of the wall, he became furious, indignant and mocked the Jews. **Sanballat’s name in Babylonian means “Sin Gives Light.”** Sin used here means “moon god,” but is an interesting play on words. The number one harassment against Christians and the Word of God is the “sin” of sexual immorality especially from our government writing laws to supposedly protect the LGBT community, but is actually “putting darkness for light, and light for darkness,” (**Isa 5:20**) in hopes of outlawing the Bible as “hate speech.” Jesus is the “Light of the World,” God’s love manifested to all who believe; but the world hated Him without a cause (**Jn 15:25**), and so the world calls true believers “haters” and His Word “hate speech.” If we **comprise** and water-down the Gospel, our loved ones will not know the truth, holding on to the lie and could be lost forever. Like Nehemiah we need to “**eradicate the evil of compromise**” and restore believers to **obedience of God’s Word**, exposing the enemies that are within our gates and in our government.

Spiritual paradigm/foreshadow in America; the building of the wall along our southern border. Through this broken-down border and legal system, billions of dollars are being funneled into the Cartel and the Deep State through illegal drugs, human trafficking, illegal weapons and the list goes on. America is being destroyed from the inside out. Sleeper cells are being imbedded into our society. The One World Order does not want sovereign nations with borders.

**Thanksgiving Choir:** in **Neh 12:27** the wall was completed and dedicated with 2 “Thanksgiving Choirs.” The priests purified themselves, the people, the gates and the wall. Nehemiah formed 2 large Thanksgiving Choirs; trumpets, musical instruments, cymbals, stringed instruments, harps, and loud singers. Ezra’s choir went one way and Nehemiah went the other and they met in the temple square, standing in the **house of God**, they offered great sacrifices and rejoiced for God had given them great joy! **Ps 100:4** “*Enter His gates with thanksgiving and into His courts with praise.*” **12 years ago today, Thanksgiving 2007** God gave us the mandate “Ignite the Thumb with Praise and Worship,” releasing His glory over the Thumb. The spiritual wall is about to be restored in this region, and we control the gates. This will happen through **Not Ashamed Rallies** releasing a spirit of boldness eradicating the evil of compromise as our book “The Final Battle; America Divided” exposes the enemy inside our gate; God “making the crooked places straight” (**Isa 45:2**).
