Caution Not Fear

We have chosen **caution not fear** and as a result, we are **moving forward** with great hope and joy! We live by faith, not fear. Yes there is a real virus, and yes people are dying. That is why we move with caution. When we walk by faith, we do not “Throw caution to the wind”; quite the opposite. Faith is based on wisdom; God’s wisdom. Caution is moving forward with God’s wisdom and discernment.

Fear is not from God and is the opposite of faith. It is a demonic oppression used to control and manipulate people. Through fear, people are willing to accept bondage and step into a cage if they believe “it is safe.” America has willingly stepped into a cage because of fear. People have given up their Constitutional rights to “feel safe.”

Caution uses wisdom to assess and discern the present danger, allowing us to make a decision on how to move forward. There will always be dangers present, but we learn how to be cautious. **A flashing yellow light** is known as a “caution light.” This alerts the driver of a possible danger or hazard like a crosswalk, blind section, a 2-way stop intersection and so on. The driver now proceeds with caution. **Doctors all have different opinions** of how to stay safe. We listen to what they say, we look at the science and the reasoning behind their precautionary measures and then we choose how to proceed...with caution. This is just like “**Global Warming**” where different scientist have different opinions.

Health for Life Act (Satire)

Congress passed the Health for Life Act which will save thousands of lives in America through healthy eating. This will force people to become vegetarians, control everything we eat, regulate our food supply, regulate what farmers can and cannot grow, eliminate sugar from drinks and snacks (no more candy bars), place a luxury tax on alcohol. People will be weighed and monitored and this will determine their food rationing. Sugar will be considered an “illegal substance” and if found in a home with children present, the children will be removed and placed in foster care. By eliminating beef, it will help our environment. The Health for Life Act will also lesson the strain on our health care system and help stop global warming. These are tough measures, but if they save one life, they are worth it!

“Social Distancing” is being forced on us to create fear and division in order to control people. This is also to turn people against Christians. People will accuse Christians of being ignorant, selfish, rebellious, loveless and arrogant for practicing their faith. Yes, we do what we can to be cautious, but this excessive quarantine is a control measure.

Social distancing is “bubble boy” mentality. Stay in your bubble, your “safe space” and you will be protected. This is false unless you have a bubble suite with an oxygen tank. It may help one iota, but we are all breathing the same air.

Wearing a mask can actually cause more harm than good. **Doctor Anthony Fauci** first said, there is no need for people to where a mask, then said only those who are sick need a mask, and now is saying everyone needs a mask, and yet he does not wear a mask!? Masks are causing division, anger and resentment against those who will not “go along” with wearing a mask. If you choose to wear a mask, great!

A vaccination will save us all! Doctors and big pharma have been working on a vaccination for the coronavirus for years! Vaccinations for respiratory viruses are difficult to develop and are not very effective. According to **Doctor Nicole Saphier**, right now there are 11 different strands of the coronavirus and they are continually mutating. Every year in America, millions of Americans are vaccinated for the flu...and still die! **Doctor Judy Mikovits** warns us of the dangers involved with vaccinations because they can be deadly.

The concept of “**herd immunity**” is the understanding there is no way to completely stop a virus and the best defense is a healthy immune system that was designed to handle viruses, bacteria and other harmful contaminates in our environment as our body builds healthy antibodies. Boosting our immune system with laughter (good medicine), vitamin C, Zinc, sunshine (vitamin D) and other good nutrients. Hand awareness is also very important (not gloves). If you are sick, stay home and protect the most vulnerable. Being faith-filled Christians, we believe in the power of the blood for our protection and healing. With our authority, we call the virus dead in Jesus name!

Telling the Church they can assemble back in their building but they must **obey social distancing** is like telling a hair stylist they can have customers return, but they have to stay 6 feet apart; it will not work! This is telling the Church you can assemble, but you cannot practice your faith or walk in the fellowship of love.

Acts 5:28-30 saying, "Did we not **strictly command you** not to teach in this name? And look, you have filled Jerusalem with your doctrine, and intend to bring this Man's blood on us!" 29 But Peter and the other apostles answered and said: "We ought to **obey God rather than men.**"

Heb 10:24-25 And let us consider one another in order to stir up love and good works, 25 **not forsaking the assembling** of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching. **Forsaking:** to leave behind, to desert.

SFLB foot notes on **Heb 10:24-25**; "love for one another in Christ must manifest itself in works of love and gathering together in His name, especially in the light of His imminent coming." We need to meet now more than ever!

2 Cor 13:12 Greet one another with a holy kiss. **Phil 4:21** Greet every saint in Christ Jesus. The brethren who are with me greet you. **Greet:** #782 *aspazomai*; to enfold in the arms (hug), embrace, welcome. **Greet is used 46x** in the NT.

Heb 6:2 tells us "**laying on of hands**" is foundational to our faith. According to Bible Reference Companion the laying on of hands is; "An action symbolizing God's anointing and power." We do this for healing, impart blessings, to receive the Holy Spirit, to send out missionaries, to ordain ministers, to impart spiritual gifts, to bless the children; impossible to social distance.

Kentucky's Gov. Andy Beshear said churches will not be allowed to **sing corporately** or play any wind instruments. He has a list of regulations for churches including only one person in the bathroom at a time and if must be disinfected after each use. This is excessive.

Communion and breaking the bread of fellowship. We do this together as a family; impossible to social distance.

Kneeling down side by side at the altar to humble ourselves before God; impossible to social distance.

25% maximum capacity; I will not stand at our door and turn someone away from hearing the Gospel, from worshipping God, from giving their life to Jesus, from filling their broken heart with hope because a man or woman says I can't be over 25% capacity; impossible to social distance.

There is a release of synergistic power from God that is only released in a corporate setting when His Children are gathered together. This is called being "One," one voice, one sound, one accord and it released a special anointing of God.

James 5:13-16 Is anyone among you suffering? Let him pray. Is anyone cheerful? Let him sing psalms. 14 Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord. 15 And the prayer of faith will save the sick, and the Lord will raise him up. And if he has committed sins, he will be forgiven. 16 Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much. Impossible to social distance.

Acts 2:46-47 So continuing daily with one accord in the temple, and **breaking bread from house to house**, they ate their food with gladness and simplicity of heart, 47 praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

Our **Declaration of Independence** states: "We hold these Truths to be self-evident, that all men are created equal, that they are **empowered by their Creator** with certain **unalienable Rights**, that among these are Life, Liberty, and the Pursuit of Happiness."

Unalienable (Webster): incapable of being surrendered or transferred.

Our Constitutional rights come from God and not from our Government. Only God can remove our rights, not man, not a declaration of Martial Law, or Executive Order or any such action.
