The War on Freedom: Scroll of Justice

True freedom only comes through Jesus Christ who is the basis for all freedom.

John 8:31-32 *Then Jesus said to those Jews who believed Him, "If you **abide in My word**, you are My disciples indeed. 32 And you shall know the truth, and the **truth shall make you free.**"*

America is in a war for her freedom. There is a direct assault on **Capitalists** (Small Business), **Constitutionalist** (Patriots) and the disciplined **Christians** (abide in the Word of God). All three of these groups love America and love freedom. I believe these 3 groups will unite together and region by region will restore the foundation of America. We are a Christian nation founded on biblical principles as written in our Constitution and other documents. All of our rights come from God and not man. This will lead to a great revival.

The Deep State Progressive Tyrants, (**DSPT's** pronounced "despots") are using Marxist tactics to gain control.

Despot means a brutal, oppressive leader with absolute power such as the Emperors of old. That is what the One World Order wants, absolute power and it will not tolerate any other narrative. What we are experiencing right now is not about a virus, not about racism, not about police brutality, it is about the control of America. The DSPT's will always accuse others of what they are doing; especially spreading hatred and fear.

Rev 22:6-7 *Then he said to me, "These words are faithful and true." And the Lord God of the **holy prophets** sent **His angel** to show His servants the things which must shortly take place. 7 "Behold, I am coming quickly! **Blessed** is he who keeps the words of the **prophecy** of this book." If we don't understand prophecy, the book of Revelation can bring fear and not blessings. "This book" is referring to the book of Revelation, but many Old Testament books prophesy of the events in the book of Revelation and need to be studied and proclaimed. The entire Bible is **The Prophecy of Jesus Christ**.*

On December 29, 2019 we prophesied the **Scroll of Justice** (from **Zech 5:1-4**) was spiritually sent out. One side of the Scroll dealt with **thieves** being **expelled**, and the other side the **perjurer**; the ones who **swear falsely by the name of God**. The thieves are not only individuals, but large corporations, both filled with greed. A good example is the large pharmaceutical companies. The perjurer and the ones who swear falsely by the name of God, address two groups; those who lied and manipulated the **justice system**, and people who say they are Christian, but are actually **wolves** leading people astray. The Scroll of Justice will also expose and remove lawlessness within churches. These are churches who will not stand on the **authority** of the Word of God and will allow sexual immorality.

Taking an oath: before a person testifies in court, they take an oath which was established over 200 years ago; "Do you swear to tell the truth, the whole truth and nothing but the truth, so help you God?" The Democrats have removed "**so help you God**." The DSPT's embrace **Postmodernism** which states there are no **absolute truths** so everything is subjective or relative. **Friedrich Nietzsche** is the father of Postmodernism and he stated "God is dead", he hates Christians and has referred to himself as "The Antichrist." The DSPT's also embrace Marxism which uses the ploy "If you tell a lie often enough, people will believe it as the truth." Get the media to repeat the lie over and over. This is a spirit of lawlessness, deception and chaos that is ruling over much of America and the world; but the **Scroll of Justice** has been sent out.

The Supreme Court is supposed to interpret the Constitution according to the "**original intent**" of our Founding Fathers. Progressive judges believe we have "progressed" passed the "original intent" and need to re-interpret the Constitution based on the "new enlightened morality" of our culture. These are **activist progressive judges** who are changing the Constitution. The Supreme Court just re-interpreted the law, denied scientific facts, and embraced lawlessness (anti-word-of-God) as they redefined the term "sex" which has always meant "male and female."

- Doctor James Dobson

"In an outrageous ruling that should shake America's collective conscience to its core, the U.S. Supreme Court has redefined the meaning of "sex" under Title VII of the Civil Rights Act to include "gender identity" and "sexual orientation." Not only was this decision an affront against God, but it was also a historical attack against the founding framework that governs our nation...this is unconstitutional!"

Title VII of the Civil Rights Act was written in 1964, so for 56 years the Supreme Court was fine with this law. When you change the wording of a law by changing or revising a definition, or by adding more information, it can change the meaning and **original intent** of the law. When the Supreme Court redefined “sex” they changed the original intent of the law. Only Congress (not the Judicial) can write laws or change the existing laws. The Supreme Court can only declare the law as coherent with the Constitution or un-Constitutional. Our Founding Fathers warned America is headed for disaster if the Judicial branch of government usurps the authority of the Legislative and become “law makers.”

Neil Gorsuch, supposedly a conservative, appointed by President Donald Trump, voted with the 6-3 majority. This could force the LGBT agenda on churches causing them to submit or shut down. This could also outlaw the Bible, condemning it as “hate speech.” This is perhaps the greatest **injustice**, assaulting the Constitution and the Word of God.

– The Alliance Defending Freedom Team

“Virginia **passed a new law** that has the potential to shut churches and ministries down. It’s the worst of the state laws on the sex orientation and gender issue to date – and it goes into effect on July 1. The state is coming down hard on Christians who operate churches and ministries **according to traditional religious beliefs about marriage and sexuality**. Unbelievably, fines go as high as \$100,000!” There can be multiple fines for every offence.

This Virginia law not only violates our **freedom of religion** and **freedom of speech**, but also our **Eighth Amendment**: “Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.”

The Supreme Court Judges are called “**Justices**”; but changing the original intent is not being “just” it is being unjust.

The “systemic” attack on our Freedoms:

First the Supreme Court changed the original intent of the Constitution to **remove prayer from school**, then legalized **abortion**, then legalized **gay marriage**, and now a special protection for **gender of choice and sexual orientation**. For over **170 years** and **100 Supreme Court Justices**, there has never been a “right” for prayer-free schools, abortion, gay marriage, gender of choice and sexual orientation, but since 1962 just a handful of Justices, are so “supreme” that they have found these new rights. These attacks on our freedoms have not been done because the DSPT’s have a deep compassion and sympathy for these groups of people. These attacks are to destroy the Constitution and the Church.

The DSPT’s stated several years ago that they would make gender of choice and sexual orientation greater than our Constitutional First Amendment and now they have done that without passing any laws.

Lord we pray “Let Your **Scroll of Justice** rest over the Supreme Court of the United States of America, along with every **State** Supreme Court! In the name of Jesus Yeshua Hamashiach - Amen!”

It Is Written:

Ex 23:1-2 “You shall not circulate a false report. Do not put your hand with the wicked to be an unrighteous witness. 2 You shall not **follow a crowd to do evil**; nor shall you testify in a dispute so as to turn aside after many to **pervert justice**.”

Ps 43:1-4 Vindicate me, O God, And plead my cause against an **ungodly nation**; Oh, deliver me from the **deceitful and unjust man!** 2 For You are the God of my strength; Why do You cast me off? Why do I go mourning because of the oppression of the enemy? 3 Oh, **send out Your light and Your truth!** Let them lead me; Let them bring me to Your holy hill And to Your tabernacle. 4 Then I will go to the altar of God, To God my exceeding joy; And on the harp **I will praise You, O God, my God.**

Vindicate: to clear someone of blame, acquit, clear, declare innocent.

Prayer “Father God, we have been vindicated from this ungodly nation by the blood of Jesus; we ask send You Light and Your Truth to guide us and we will go to Your tabernacle, Your holy altar, and we will praise You!”

President Trump was vindicated from all impeachment charges because they were deceitful and unjust!

Jonathan Cahn from his daily devotional book Sapphires:

William Tyndale asked the Bishop of London for permission to translate the Bible into English. He was refused. He fled to Germany and in 1525 he published two editions of the New Testament. For this, the Church burned him as a heretic at the stake. His last words were "Lord open the eyes of the King of England." It was a prophetic prayer because later on, King James was responsible for the King James Bible. The Bible comes to us from the blood of those who gave their lives for it.

Our new booklet: "Ignite the Thumb with Praise and Worship: The Prophecy of Life Song Church" hand out.

Not Ashamed Rallies are not only waring with praise and worship, but we are **striking regions** with proclamations and the Word of God. WE are declaring the **Final Authority** is the Word of God!
