War on Freedom: God's Ministers

True freedom only comes through Jesus Christ who is the basis for all freedom. **John 8:31-32** *Then Jesus said to those Jews who believed Him, "If you **abide in My word**, you are My disciples indeed. 32 And you shall know the truth, and the **truth shall make you free.**"*

Our Not Ashamed Rallies are forming alliances with other churches, but God has a bigger plan. I believe somehow God will join churches, small businesses and patriots forming "regional alliances" in order to war against the Deep State Progressive Tyrants (DSPT's) as America's Christian foundation is restored.

During Hitler's reign of terror, Germany was a **Fascist** government. A form of nationalism led by a dictator who exalts one race above another with severe economic and social regimentation. **Communism** is very similar but instead of focusing on national pride, it has the goal of controlling other nations with a central control bringing them into a One World Order. Communism is driven by **Marxism**, a philosophy that people have no individual rights, especially owning property. The State owns and controls everything. There is no liberty or freedom. The State is God.

The same tactics Hitler used to gain control, are now being implemented in America by the Deep State Progressive Tyrants (DSPT's)

Bill Frederer American Minute:

On January 30, 1933, Adolph Hitler was elected Chancellor of Germany by promising hope and **universal healthcare**. Less than a month later, Germany's Capitol Building, was suspiciously set on fire, with evidence pointing to Hitler's supporters. Hitler was quick to **use this crisis** as an opportunity to set aside Germany's Weimar Republic and **suspend basic rights**.

Hitler overthrew the traditional leadership of Germany by using **riots to destabilize the country**.

Hitler had radical homosexual activist Ernst Röhm and his feared **Brownshirts**, also called storm troopers, to storm into the meetings of his political opponents, disrupting and shouting down speakers.

Brownshirts organized **Antifa-style protests** and street riots, smashing windows, blocking traffic, setting fires, vandalizing, and even beating to death innocent bystanders to spread fear and panic.

Once securely in power, Hitler had his SS and Gestapo secret police kill the Brownshirts in the "Night of the Long Knives," thus **eliminating competition** and giving the public impression that he was cracking down on lawbreakers. (Blacks, minorities, and LGBT are all being used).

He forced old German **military leaders** to retire by **falsely accusing them** and some were imprisoned and even shot without a trial. (General Michael Flynn)

Hitler **confiscated guns** from private citizens.

Hitler's Minister of Propaganda, Joseph Goebbels, pioneered the use of **fake news** to sway the public opinion to accept the lies of the deep-state: "If you tell a lie big enough and keep repeating it, people will eventually come to believe it ... The truth is the greatest enemy of the state."

Those **not promoting the deep-state narrative** are driven from their jobs, publicly ridiculed, and eventually removed from society to labor and concentration camps. (Criticize BLM or LGBT and you are attacked).

German churches were silent, as they had for centuries taught **pietism** - a version of separation of church and state where Christians were instructed to **only focus on their own personal spiritual life and withdraw from involvement in worldly politics**.

As a result, the church stood by silent as the **National Socialist Workers Party (NAZI)** usurped power, leaving the stopping of Hitler to be done by the sacrifice of millions of courageous Allied soldiers.

By the time a few courageous Germany church leaders spoke out, such as **Dietrich Bonhoeffer**, it was too late -- the government had grown so powerful it simply arrested and executed them.

Rick Joyner July 7th 2020

"The primary globalist force in the world, the **Marxists**, declared in the 1930s that they would take over America from within by taking over the **media, the education system, arts and entertainment**, and then the government would easily fall into their hands. Their plan was even read into the congressional record. They boasted how they would **revise our history** to make the **good look evil and the evil look good, and turn the emerging generations against their own country**. Now they are claiming that it is very close to having been fully accomplished."

Unlike Germany in the 1930-40's many of us are standing up and fighting back. **We are uniting with God's ministers!** We have to let our voices be heard!

Rom 13:1-7 *Let every soul be subject to the governing authorities. For there is **no authority except from God**, and the authorities that exist are appointed by God. 2 Therefore whoever resists the authority resists the **ordinance of God**, and those who resist will bring judgment on themselves. 3 For rulers are not a terror to good works, but to evil. Do you want to be unafraid of the authority? **Do what is good**, and you will have praise from the same.*

Ordinance of God are laws that reflect His moral character of goodness, law and order.

Authority: Strong's # 1849 Greek *exousia* (ex-oo-see'-ah) ability, force, competency, magistrate, superhuman, potentate, power, strength. The right to use force w/w **Mark 3:15** Christians have the ultimate authority through the name of Jesus and the power of His blood; primarily against the Kingdom of Darkness.

Evil rulers will corrupt God's delegated authority. God does not approve of this corruption, but at times allows it to exist for His own purposes such as the suffering people go through as the result of corrupt leaders demonstrates the wages of sin is death. God has also allowed corrupt nations to invade Israel as they have become corrupted. Even if a ruler has implemented a corrupt system, but has some structure and order and is still better than full blown anarchy and chaos.

If man's law is contrary to the Word of God, we submit to the Word of God. This will cause conflict and may result in prosecution and persecution. A good example would be refusing to be vaccinated or any other medical procedure that we determine could harm our health. Our body is the temple of God and we are to be a good steward over our temple. Many Christians believe that masks cause more harm physically and emotionally than good, and refuse to wear one. Some people refuse to wear one because of the spiritual implications which is a paradigm to the mark of the beast as to buying and selling.

God's Ministers of His Authority (ordinances of God)

*4 For he is **God's minister** to you for good. But if you do evil, be afraid; for he does not **bear the sword in vain**; for he is **God's minister**, an avenger to execute wrath on him who practices evil. 5 Therefore you must be subject, not only because of wrath but also for conscience' sake. 6 For because of this you also pay taxes, for they are **God's ministers** attending continually to this very thing.*

Bear the Sword: God has ordained the use of force, even if it means death to keep law and order. A sword is a weapon used to stop people from what they are doing, even death if necessary.

Minister: #3011 *leitourgos* (lie-toorg-oss) from *laos*, "people" and *ergon*, "work" hence **working for the people**. There are people who are not necessarily Christians but are willing to be used of God, for His ordinances. These people might not behave with "**Christian conduct**" but are "working for the people" to fulfill God's ordinances.

This is the group of **“God’s ministers”**: Jesus, angels, Paul and Believers, and people. The group of people in Romans 13 specifically deals with the civil Government, be it **police or politicians**. Our politicians who are fulfilling the ordinances of God to the general population, God calls a “terror to evil.”

If Jesus, angels, Paul, police, politicians and those fulfilling the ordinances of God and all God’s ministers, should not we support this group? Why would Christians believe we should support some of God’s ministers, but not all of them? Should not we stand up for the politicians who are God’s ministers?

God is bringing together Small Business, Patriots (civilian and government), and the Church to stand and fight for the ordinances of God; for America, our Constitution and our freedom.

God is **forming alliances** not only between churches, but with **His ministers!**

"I Am a good Father, and because I Am a good Father, I know when to war with the enemy. I know when for My people – to rise up and represent Me in the war ahead. Judah goes first, and Judah must arise throughout the land with a sound, a new sound of war! https://elijahlist.com/words/display_word.html?ID=23862

This is why some politicians in the DSPT’s do not want singing in church. They know the praises go out before the attack, and that the level of praise corresponds to the level of power being released.

Praise controls the gates!
