LSC 19 Years: A Time Such as This!

LSC; we are living epistles walking out the Prophecy of Jesus Christ. God has always confirmed the prophetic direction that He has given us from signs and wonders to other prophetic ministries saying the same thing, especially **Jonathan Cahn**. Looking at our 19-year prophetic history as a whole is simply amazing. The message today is **just an overview** and not a detailed list of all the prophetic word God has given us.

Now we are in position to step into the **paradigm shift** that is coming to America. A **paradigm shift** changes the way people see things and the way they think.

A great shaking will soon take place as the Kingdom of Darkness is cast down and God's righteousness crushes Babylon. The Righteousness Remnant will be blessed, but the complacent Christian will be shaken. Those in darkness will cry out with anguish, anger, and fear as God's all-consuming fire turns up the heat. The Righteous Remnant are taking control of the **Gates** as they step into the **Morning Star Authority** and God's latter glory fills our temples.

Back to the start 19 years ago;

September 11, 2001 The Terrorist Attack on America now called "9/11"

When Life Song Church first started in Sandusky, in a building called "**The Beacon**" we were called "**Lights of Hope Ministry.**"

God supernaturally formed Life Song (Lights of Hope Ministry) in 7 days. On the sixth day we were given a key to the **Beacon** unbeknownst to us by **Rev. Mark Morningstar**. We did not seek out the Beacon, God brought the Beacon to us.

On 9/11 after hearing about the terrorist attacks, I was lying face down on the carpet by the altar crying out to God to forgive our nation as several of us prayed to God. I remember believing in my heart "**This is why Lights of Hope Ministry was created; God has a plan.**" I had no idea that it would take 19-years to clearly see the plan.

Fast forward 19 years to Jan 2020:

Rabbi Jonathan Cahn's Prophetic Question About America and the 9/11 Terrorist Attack on America:

"9/11 was a warning from God to America to repent, but instead, the moral decay has increased. **America is in a paradigm** reflecting what happened in Israel back in 605 B.C. when the Kingdom of Judah was breached by Babylon. It was a limited invasion and a warning from God, but the nation did not turn back to God. **19 years** later in 586 B.C., the full judgment of God came and the city of Jerusalem was destroyed. **19 years** from September 11, 2001 will be in 2020. He asks, "**Will we see judgment, revival – or both?**" He warns that no matter what happens in 2020, "A nation that abandons the **God of its foundation** is heading toward calamity."

Before I knew anything about Jonathan Cahn's **19-year paradigm** about Judah and America, we prophetically answered this question.

December 29, 2019 Sunday message we prophesied **for 2020 before** Covid-19 and the riots:

"America's **civil authority** and **religious authority** will come together as One...The **foundation** of America and our Constitution is faith in Jesus Christ (Christianity). The **foundation has been breached**, but God's Two Witnesses have interceded for Christians in America. The Two Witnesses have stood in the gap and God will raise up the foundations **repairing the breach**...a nation that again holds fast to the "original intent" of the Constitution, acknowledging America is a Christian nation, a true Republic, and being such, it gives the individual right to choose whom to worship. The spiritual "**Tabernacle of David**" will be restored as God's people will worship Him in spirit and in truth with unashamed-expressive worship, as God fills His tabernacles with His presence and glory. Those who oppose the Word of God will scream louder than before and the **division in America will increase.**

The lies of the enemy will **deceive many** and result in **great civil unrest and chaos**. Supernatural signs and wonders will soon be taking place in the heavens and on earth. Those who have a **desire** to see the Truth will see it.”

In response to what Jonathan Cahn saw in the 19-year paradigm about America and Judah, he launched the event “**The Return.**” He is calling for Christian around the nation to come to Washington DC, on **Saturday September 26**, the weekend of Yom Kippur, the Day of Atonement for the Jewish people.

This is all happening during the Jewish Feast of Tabernacles which celebrates how God provided for the Jewish people for 40 years in the wilderness until they “**crossed over**” the Jordan into the **Promised Land**. America is about to cross over if **His people repent, pray and seek His face. (promise from 2 Chron 7:14).**

I believe this “crossing over” is the coming “paradigm shift” that is about to happen in America.

On the Day of Atonement, the Lord God would tell Israel if the coming year would be filled with judgment, blessing or both. God’s prophetic time clock always revolves around the Jewish Feasts of Israel.

Many prophetic voices believe **September 2020 is the most significant month for spiritual warfare** that will determine America’s future.

It has been prophesied for years that revival will start **regionally** and many believe that the Thumb of Michigan will be one of these regions. We wrote about this in our LSC prophecy booklet “**Ignite the Thumb with Praise and Worship.**”

8 Years ago:

LSC did a Prayer Drive October 27, 2012 claiming dominion for our Lord Jesus at the **County Courthouses** in Sanilac, Tuscola, Huron and Lapeer. These are places of **civil authority** and we called down the spiritual fire of God.

November 2019 LSC releases the book “**The Final Battle: America is Divided**” in response to God’s urgent request. The book helps launch the Not Ashamed Rallies and **exposes the deception over America** and then the Covid-19 inflated pandemic strikes, followed by civil riots and lawlessness being called good and good evil. The book is right on prophetically. The book help to usher in our Not Ashamed Rallies.

2-22-2020 Our Not Ashamed Rallies proclaim **spiritual dominion** for this region called The Thumb. 2 days after the rally, God shows us there are 4 Gates in this region. God starts to form **powerful alliances**, spiritually bringing the 4 counties together.

The Lord put on my heart, He will unite the Small Business, the Patriots and the Churches, **county by county** as a united front to restore the foundation of the original intent of the Constitution and America being One Nation Under God.

I shared the vision with the Elders at Life Song showing them this is the fulfillment of what we prophesied about America’s **civil authority** (law and order) being united with America’s **religious authority** (the churches). This movement was named “**We the County**” and the vision was written so all who read it could run with it.

I had no idea or plan as to when we should launch “**We the County.**” We started talking about this a while ago but recently made a commitment to move forward.

Karissa went to work building a web site to cast the vision and allow people to register. **Thursday September 3rd** when I got back from vacation, the web site was almost complete. I was surprised and excite d. I checked it out, but what I was most curious about was the logo for **We the County**. It was a drawing of the torch for the Statue of Liberty. I loved it! The only problem, it was in black and white with no color.

Friday September 4th My first day back from vacation, I met with Kari and Karissa in my office. We talked about the progress for **We the County** and what we still needed to do. One of the things I was most interested in was the logo for We the County. I told her I would like to see some color in the logo and she politely told me she felt strongly about it being **black and white**.

Saturday September 5th during my morning prayer time, I just noticed the cover of Jonathan Cahn's daily devotional called Sapphires. This magazine comes out once per month. Being on vacation, I had not looked at the magazine for September. When I did, I was amazed. Again, God always gives us prophetic confirmation once we act or prophecy what He tells us and many times God has brought confirmation through Jonathan Cahn.

The Cover? A picture of only the torch being held by the hand of the Statue of Liberty! Even more amazing, Sapphires is very colorful and very busy with the graphics, especially the cover. However, this one was in **black and white! I quickly remembered my conversation with Karissa telling me, no color!** I felt led in my heart to launch We the County next week, on our **19 Anniversary weekend**, not fully understanding all of the prophetic confirmation.

September 9/11 2001 when our prophecy started at the terrorist attack of the Twin Towers in New York and I believed: **"This is why Lights of Hope Ministry was created; God has a plan!"** and **Jonathan Cahn's** 19-year warning of the paradigm of Judah and America being breached. Then I just realized this is not only our 19th year Anniversary it is also the weekend of 9/11! Friday was 9/11.

This morning in prayer, I felt a draw to the word "Beacon" and asked Siri to define the word knowing LSC started in a building called "The Beacon."

Beacon: "a fire or light set up in a high or prominent position as a **warning, signal, or celebration.**"

Immediately I was in awe of what God was showing me. Our **"Trumpet Voice"** that God supernaturally September 13, 2015 at our **14th Year Anniversary**, was confirmed by Jonathan Cahn by his involvement with the National Day of Prayer, and the theme Scripture being **Isa 58:1**

Isa 58:1 *"Cry aloud, spare not; Lift up your voice like a trumpet; Tell My people their transgression, And the house of Jacob their sins.*

Isa 58:12 *Those from among you Shall build the old waste places; You shall **raise up the foundations** of many generations; And you shall be called the **Repairer of the Breach, The Restorer of Streets to Dwell In.***

Pg 4 "The Final Battle: America is Divided."

"The purpose of our Trumpet Voice:

1. To **warn** God's people to return to Him
2. To **assemble** and equip God's people
3. To **celebrate** the victory with God's people"

This aligns perfectly with the definition of Beacon!

Then the Holy Spirit reminded me the Stature of Liberty is called "The Beacon of Hope!"

God supernaturally named us "Lights of Hope Ministry" and the next day brings a key to a building called the Beacon from a man named Rev. Mark Morningstar.

For our 19th year Anniversary we are introducing/launching **We the County** and the logo is the torch from the Statue of Liberty (which I knew nothing about) on the weekend of 9/11 and it is confirmed by Jonathan Cahn by the cover of his September devotional Sapphires with a black and white picture of the torch from the Statue of Liberty pointing to his event "The Return" which was inspired by the 19 year paradigm of Babylon breaching Judah and God giving them 19 years to repent before their final judgment which started from the 2001 9/11 terrorist attack!
People have lost hope, but **We the County** is a beacon of hope for all of those who hunger after righteousness!

Life Song Church; we are called for Such a Time as This! God supernaturally created this church for this hour, for what is happening right now! I believe **We the County** is one of the movements to restore the breach and put America back on the **foundation of the original intent** of our Founding Fathers being One Nation Under God and **We the County** is a movement to help this happen.

Happy 19th Anniversary Life Song Church!
