The Glory of One: The Queen Esther Decree

The **Declaration of Independence** is a written decree. This was signed by 39 delegates; men with authority. The last sentence reads; "And for the **support** of this Declaration, with a firm **Reliance on the Protection of divine Providence**, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor." They had the **authority** to sign, but the "**power**" to carry it out came from those willing to fight, even give their lives. The more people willing to fight and the more zealous those people are, the **greater the power**. Since their reliance was upon the protection of God, I believe it was the zeal of the Lord of Hosts who motivated and empowered the people. Decrees need **authority** to be initiated and **power** to be enforced.

Very similar to our Declaration of Independence, was the **Queen Esther Decree**. It was given by Mordecai to the scribes of King Ahasuerus who wrote it down. Then it was sealed with the King's signet ring, and sent out to the 127 provinces. Queen Esther saved the Jews from destruction. The Decree was given **authority** by the King, but the **power** to carry it out, came through the people who were **willing to fight**. Mordecai worked with Queen Esther to create the decree and save the Jews.

We are now walking out a paradigm of the Queen Esther Decree

The Persian King Ahasuerus (around 465 B.C.) made a feast for all of his officials, servants and the powers of Persia and Media (Medes). At the same time, **Queen Vashti** also made a royal feast for the women in the royal palace which belonged to the King. On the 7th day, he sent for Queen Vashti to come wearing her royal crown to show her beauty to the people, but she refused. The **wise men** were very concerned because they knew this spirit of rebellion would grow throughout the kingdom. The spirit of rebellion upon Queen Vashti may believe to be the spirit of Jezebel.

Est 1:13-15 *Then the king said to the **wise men** who **understood the times** (for this was the king's manner toward all who knew **law and justice**, 14 those closest to him being Carshena, Shethar, Admatha, Tarshish, Meres, Marsena, and Memucan, the **seven princes of Persia and Media**, who had access to the king's presence, and who ranked highest in the kingdom): 15 "What shall we do to Queen Vashti, according to law, because she did not obey the command of King Ahasuerus brought to her by the eunuchs?"*

NOTE: The 3 Wise Men, who followed the "**star**" to find and honor the child Jesus, came from Persia-Media. They were not Jewish, but they were **God's ministers** confirming Jesus is the King, and to provide for their trip to Egypt.

Est 1:18-20 *This very day the noble ladies of Persia and Media will say to all the king's officials that they have heard of the behavior of the queen. **Thus there will be excessive contempt and wrath**. 19 If it pleases the king, let a royal decree go out from him, and let it be recorded in the laws of the Persians and the Medes, so that it will not be altered, that Vashti shall come no more before King Ahasuerus; and let the king give her royal position to another who is better than she. 20 When the king's decree which he will make is proclaimed throughout all his empire (for it is great), **all wives will honor their husbands, both great and small**.*

The wise men honored God's **delegated authority**. Wives honoring their husbands is reflected in the New Testament: **Eph 5:33** *Nevertheless let each one of you in particular so love his own wife as himself, and let the wife see that she respects (honors) her husband.* In order to be in authority, you have to be under God's delegated authority.

400 years before Queen Vashti, lived the wicked Queen Jezebel. **400 years is extremely symbolic** in the rise and fall of nations. Jezebel was Queen around 865 B.C., married to King Ahab. She caused him to rebel against God. Jezebel signifies a spirit of rebellion against **God's delegated authority** which releases lawlessness causing contempt and wrath. This will bring division. In **1 Kings 18:19** Jezebel worshipped, and embodied the goddess Asherah who was also called Ashtoreth which means "**a star**." This goddess is also referred to as the "**Queen of Heaven**" (**Jer 44:25**). Jesus addresses Jezebel in **Rev 2:20-29** and makes a promise to those who overcome and do not bow down to the Jezebel doctrine, He will give them the **Morning Star**. This is a very powerful anointing to rule the nations, (governments) as Jesus carries the government on His shoulder (**Isa 9:6-7**).

Esther becomes Queen.

The decree goes out to search the kingdom for beautiful young **virgins** to replace Queen Vashti. From this, **7** women are chosen, and Esther is one of them. **Esther means "Star."** In the book of Revelation, there are **7** different churches that Jesus addresses. The Church is also referred to as a "**virgin**." Esther is symbolic of the Church, the **Bride of Christ**. She grew up under her cousin Mordecai because she was an **orphan**. Jesus referred to His disciples as "orphans." When she matured, she was beautiful, symbolically without spot, wrinkle or blemish and ready to become Queen. This is symbolic of where the Bride of Christ is at today.

Mordecai sat in the **King's gate**, and because he was Jewish, he would not bow down to Haman who was second in command next to the King. Haman hated Mordecai because he would not bow down, so when he learned that Mordecai was a Jew, he went into the King and manipulated the truth about the Jews saying they do not keep the King's laws. The Jews had their own customs, but were a lawful people.

Haman gets the King upset with the Jews and devises a plan to kill the Jews and take their possessions. The King agrees and allows Haman to make a decree and seal it with the King's signet ring. On a certain date, 11 months away, the people will be allowed to slaughter the Jews. The decree had **authority**, and now was sent out to gain **power**.

Mordecai learns of Haman's decree and got word to Queen Esther that she had to approach the King and plead for her people. She knew doing this, she could lose her life if she did not find favor with the King.

Est 4:13-14 *And Mordecai told them to answer Esther: "Do not think in your heart that you will escape in the **king's palace** any more than all the other Jews. 14 For if you remain **completely silent** at this time, relief and deliverance will arise for the Jews **from another place**, but you and your father's house will perish. Yet who knows whether you have come to the kingdom for **such a time as this?**"*

Many times, as Christians, we want to stay in the King's house (the Sunday Church Box) and remain "**completely silent**" as to not cause any trouble or offend anyone. But just like Mordecai warned Queen Esther, staying silent and doing nothing, will bring you and your family harm. The Righteous Remnant know they walk in God's Kingdom, and are called for "**such a time as this**" and are ready to stand up as One Voice and fight! We are in a time where Jezebel, the Queen of Heaven (Babylon), through the Deep State, is getting ready to silence and destroy the Christians in America, but the spirit of Queen Esther is upon the Church. The Bride of Christ has matured!

Haman was second in command, very wealthy and had great honor, but because Mordecai would not bow down, Haman was distraught. His wife and friends suggested he build a gallows to hang Mordecai, so he had it built.

Before Esther goes into the King to plead for the Jews, she asks for her people to **fast 3 days** for her with no food or drink. This is very symbolic of the Church today. From my own experience and from talking with other pastors, the most **dedicated group of prayer warriors are women**. During my prayer time on 10-22-20, I heard in my heart, "The women are the prayer warriors, they have been **carrying** the Church" – Jesus. I know several men who fast and pray for hours almost every day, but they are few. **Powerful Women Warriors** are standing up as One Voice fighting for their families and communities, restoring freedom.

Queen Esther goes into the King, with a humble, submitted heart and he extends his golden scepter indicating she found favor. Esther pleads for her people and tells the King of the evil plot to kill, destroy and annihilate the Jews. The King asked, who would dare do such a thing? The Queen replied "wicked Haman!" and Haman was terrified. One of the King's eunuchs said, "Look! The gallows, fifty cubits high, which Haman built for Mordecai." The King replied, "Hang him on it!"

Today in America, there are many wicked "Hamans" who have plotted against God and His people. They are being exposed and brought to justice. This is the year God's Righteousness is being poured out. These people have abused the **justice system** putting wicked people in the courts and in government agencies so at just the right time, they will overthrow the Righteous, the Patriots and all of God's ministers. They are called the **Deep State**.

They have manipulated our Constitutional Rights and have put people in bondage instead of protecting our freedom. This system they abused, will be their gallows. **They will be hung by the Constitution.**

Queen Esther pleaded with the King to withdraw the decree to slaughter the Jews, but the King said he could not, for whatever it is written in the King's name and sealed with the King's signet ring, no one can revoke. But Queen Esther and Mordecai could write a decree and the King would seal it with his signet ring and it would be sent out permitting the Jews in every city to **gather together** and stand up as one, to destroy anyone who comes against them.

Est 9:1-3 *On the day that the enemies of the Jews had hoped to overpower them, the opposite occurred, in that the Jews themselves overpowered those who hated them. 2 The Jews **gathered together in their cities** throughout all the provinces of King Ahasuerus to lay hands on those who sought their harm. And no one could withstand them, because fear of them fell upon all people. 3 And all the **officials** of the provinces, the **satraps** (rulers over provinces), the **governors**, and **all those doing the king's work**, helped the Jews, because the fear of Mordecai fell upon them.*

"All those doing the king's work" are **God's ministers!** They fulfill the ordinance of God, His justice through law and order. The officials, satraps, and governors are all people in the government, as the ones who uphold law and order. Today God's ministers, the Patriots are protecting our Constitution. They embrace justice like those in **(Rom 13:1-7)**

The Queen Esther Decree:

"The Small Business, Patriots and the Church will stand up as One Voice so loud it will shake the Deep State. The zeal of the Lord of Hosts will perform this. The government is upon His shoulder!"

This is a prophetic decree as carried out by the **We the County Declaration of Our Constitutional Rights** that was written down and then spoken (sent out) on October 17, 2020 at New Life Christian Church in Attica MI as several churches came together **standing up** as **One Voice** in agreement with the decree.

400 is symbolic of the rise and fall of nations. 400 years ago in 1620 the Mayflower landed and America was dedicated to our Lord Jesus Christ. In the same month of that 400-year anniversary, on 9-26-2020, Jonathan Cahn called for Christians to "Return" to God. Thousands of Christians humbled themselves, fasted and prayed, as the Bride of Christ petitioning the King of Kings, Jesus Yeshua Hamashiach at the nation's capital in Washington DC and at the State Capital buildings all around America. I believe Jesus extended His golden scepter which is the rod of iron to rule the nations in **Rev 2:26-29** and Jesus the Bright and Morning Star gave his Bride the **Morning Star Authority to rule the nations.**

The End-of-Age Final Battle is escalating. The **Queen Esther Decree** has been sent out. God's Ministers are standing up as One Voice, county by county and in every community. God has given us a platform to unite; **We the County!** We are called for such a time as this, but if we **remain silent** and think we are safe in our Sunday Church Box, God will use someone else to win this battle, but that would not end well for us.

Please go to **wethecounty.org** and stand up as One Voice; and Jesus will release The Glory of One!
