

God's Gideons: We Will Not Bow Down to Baal!

Gideon destroyed the altar of Baal and cut down the wooden image of Asherah. Then the Spirit of the Lord came upon Gideon and he blew his trumpet to gather the troops together. Thousands responded to Gideon's trumpet, but only 300 men were chosen to initiate the battle. Once the 300 men engaged the enemy, thousands more joined the battle and they defeated the Midianites (Judges 6,7,8). In Michigan, **God's Gideons, His Pastors** are bravely standing up, tearing down the altars of Baal and Asherah. God is pouring out His Spirit upon these Pastors and their churches. Soon, thousands more will join in and the Marxist-Babylonian-Luciferian government will fall.

Our children are being attacked by the politicians in Michigan who have embraced a Marxist-Luciferian ideology. Their mantra: **"We are coming for your children, they belong to us!"** They have written laws to enforce their indoctrination. Just like in the time of Gideon, the Luciferians have set up their deity-idols around the state.

"The Deity" is set up in Port Austin at Bird Creek Farms Restaurant. The artist calls it; "A super being connected to nature." Murawski the restaurant's owner said; "This opens us up to talking about modern true deities that are around us every day." Paganism is linked to Luciferianism. Both embrace "deities" the gods and goddesses of the occult who stand in opposition to God's Word. This is an attempt to "normalize" and then exalt paganism.

The Deity has the body of a woman and the head of ram which is a male goat. This represents transhumanism and transgenderism. This is a "golden idol" (just like in Babylon) and we are told to bow down and worship as "the music plays." Now pedophiles are singing the song "We are coming for your children" and they want to force us to sing along as the State writes laws enshrining transgenderism, a Luciferian doctrine. If you use the wrong pronoun and a transgender person feels intimidated, according to **Michigan House Bill 4474**, you could be found guilty of a "hate crime" which would be considered a felony, with 2 years in jail and up to a \$25,000.00 dollar fine.

House Bill 4616 "A mental health professional shall not engage in conversion therapy with a minor." This means if a minor who is having gay tendencies or gender confusion seeks help to be straight, or be at peace with their natural birth gender, a health professional cannot help them. This violates God's Word; Gen 1:27 *"So God created man in His own image; in the image of God He created him; male and female He created them."*

State of Michigan Elliott-Larsen Civil Rights Act (ELCRA) now includes "sexual orientation" and "gender identity" as protected classes. The ELCRA forbids discrimination in employment, housing, places of public accommodation, and education. This means boys who identify as girls will be able to play on girl's sport teams, go into the girl's locker room, bathrooms, live in women's dorms at colleges, go into battered-women's shelters, and women's prisons. **There is no religious exemption to this law.** Religious schools may be forced to follow this law.

Doctors will be forced to administer puberty blockers and cross-sex hormones and to perform "sex reassignment" surgery on gender dysphoric children and adults, despite their religious beliefs and moral convictions.

Mental health professionals will be coerced into facilitating a gender-confused child's "transition."

Employers might be required to include "gender affirming care" (including surgeries) in their health insurance plans which would most likely raise premiums, even for churches, mosques and other religious organizations.

*****The ELCRA changes will become effective March 2024. We need to stand up now!!!**

These three Bills and others like them, violate our God-given unalienable Rights of free speech and religion. Our Michigan Constitution in Article I, Section 4 (protecting free exercise of religion) as well as Article I, Section 5 (protecting freedom of expression) do offer protection from this abuse, but if we do not “invoke” them, the unconstitutional laws will stand. **Signing THE PLEDGE is invoking our God-given unalienable rights; it is a decree of our intentions.**

Our children are being sexually indoctrinated and groomed for pedophiles as they fight to remove the age of consent. They have told us, **we are coming for your children; they belong to the State.** This is a powerful prophetic statement that will come to full fruition if we do nothing. When the State makes a prophetic statement and writes laws to enforce what they have said, **our silence yields** to their “spoken word” and “written laws” giving them authority over us and our children.

“The author of a bestselling biography of Dietrich Bonhoeffer, Metaxas reveals the haunting similarities between today’s American Church and the German Church of the 1930’s. Echoing the German martyr’s prophetic call, he exhorts his fellow Christians to repent of their silence in the face of evil.” -Letter to the American Church- by Eric Metaxas.

Like Nazi Germany, the State of Michigan is becoming very powerful. What will it take for the Pastors in Michigan to unify and stand up against this Marxist-Luciferian doctrine? They are coming to destroy the body, soul and spirit of our children and many churches **remain silent.** The good news! God’s mighty men and women of valor, **His Gideons** are standing up and tearing down the altars of Baal and Asherah (Jezebel).

In the book of Revelation, God warned the church of Thyatira not to remain silent. **Rev 2:19-21** *“I know your works, love, service, faith, and your patience; and as for your works, the last are more than the first. 20 Nevertheless I have a few things against you, **because you allow that woman Jezebel, who calls herself a prophetess, to teach and seduce My servants to commit sexual immorality and eat things sacrificed to idols.**”*

The promise from Jesus: those in the Church who stand up against Jezebel’s sexual immorality, and keep His works will be given great authority called the Morning Star Authority. Pastors, will you stand together and form a **Bronze Wall Alliance, making a pledge to protect God’s Children?** Please go to thebronzewallalliance.org

*****The ELCRA changes will become effective March 2024. We need to stand up now!!!**

Coming to Michigan?

The Director of Mental Health at the University of California San Francisco said there is a new gender category called “Minotaur” which is half-human and half-animal having the head of a bull.

A video shown at a hospital for DEI training, showed children 3 and 4 years old explaining why they know they are “transgender” alluding to the possibility of starting sex changes at this age.

“California’s Senate Judiciary Committee voted 8-2 on Tuesday night (with one abstention) to pass Assembly Bill 957, which would characterize a “parent’s affirmation of the child’s gender identity as part of the health, safety, and welfare of the child.” The measure would alter Section 3011 of the California Family Code to require judges to consider whether or not parents “affirm” a child’s “transgender” identity as one of the factors in the consideration of custody disagreements” -LifeSiteNews, June 15th, 2023. Note: 9-22-23 Gov Gavin Newsom vetoed this bill; motive?

Pastors, I beseech you, PLEASE, we need to stand together and not allow our Marxist politicians in Michigan to “normalize” sexual indoctrination and child abuse. Go to thebronzewallalliance.org and do two things; 1) sign the pledge to protect God’s children. 2) Join the Bronze Wall Alliance. The Church must unite to take down Babylon.

The Truth Will Prevail!

Michael Dennis Smith

Founder The Bronze Wall Alliance
