We Are Life Song!

We at Life Song are so blessed to have not only an amazing Leadership TEAM, but also amazing Volunteers! We have a very solid Leadership structure as a key part of our foundation. According to John Maxwell, churches rise and fall based on Leadership. The second most important aspect is a committed group of Volunteers. Together the Leaders and the Volunteers form the nucleus of the church family called "**The Core.**" At the very center of The Core is Jesus Christ radiating out His love like the sun. Another important group are the ones who are not yet on a TEAM, but come, give, pray, have fellowship, worship, give hugs and support this family. All together **We Are Life Song!**

Outside Board: Pastor Scout Hester, Pastor David Ferranti, Pastor Gary Rumptz and Pastor Mike Smith

Elders: Darlene Cameron, Scott Guerne, Pastor Gary Rumptz, Pastor Mike and Karen Smith

Ministry TEAMS: Some ministries have specific skill requirements, some have a higher level of conduct expectations, but all have two things in common; great Leaders and great volunteers! Everyone who helps on a TEAM is required to have a background check. If concerns arise on the background check, it doesn't automatically disqualify anyone from serving on a TEAM, but it could limit what you can do.
