Frequencies

Not Ashamed Praise Rally 5-18-24, Pentecost weekend: **We decreed**; 1) God is shaking the heavens and the earth, 2) which will cause Babylon to fall 3) and put our enemy under our feet! 4) God will contend with those who contend with us and He will save our children! Everyone was anointed to become "One family in Christ" as His glory and love radiated through us!

Through this rally, God opened a door to a higher level of spiritual warfare. We were all anointed and given a greater authority to war at this level.

Our book "We The County: A Way Of Life Ensuring Liberty Protecting Our Children," was released. I pray many blessings to everyone who gave "seed money" for our Way Of Life book; thank you from the bottom of my heart!

I believe the Earth is about to hear "**shouts in the Heavens; the roar of God!**" as He brings down the walls of Babylon, indicating the soon return of "The Lion of the Tribe of Judah."

Heb 12:26 whose **voice then shook** the earth; but now He has promised, saying, "Yet once more **I shake** not only the earth, but also heaven."

Shake: Strong's #4579 Greek *seio* (si'-o); to rock, to agitate, to cause to tremble, to throw into fear or concern and cause uncontrollable shaking, to move. From *seio* comes the word seismograph meaning to record the shaking. **Webster; to vibrate.** Note: all sound and light come from vibration known as frequencies and create all electromagnetic energies. In other words, God's voice has the power of a nuclear bomb!

This is during the 6th Trumpet.

Rev 10:1-4 I saw still another mighty angel coming down from heaven, clothed with a cloud. And a rainbow was on his head, his face was like the sun, and his feet like pillars of fire. 2 He had a little book open in his hand. And he set his right foot on the sea and his left foot on the land, 3 **and cried with a loud voice, as when a lion roars.** When he cried out, seven thunders uttered their voices. Thunder in the natural shakes our houses and rattles our windows.

The 7th Trumpet: The Kingdom Proclaimed (This Scripture is on our vision wall)

Rev 11:15 Then the seventh angel sounded: And there were **loud voices** in heaven, saying, "The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever!"

Our shouts of praise, the songs we sing, the instruments we play, the words we decree, the roar of God and the shouts in the Heavens **are all frequencies.** The world is waking up to the power of frequencies. Scientist and the geopolitical realm have known for a long time about their ability to affect people, plants, the physical realm and the spiritual realm.

Gen 1:3 Then God **said**, "Let there be light"; and there was light. God spoke the world into existence.

Heb 11:3 By faith we understand that the worlds were framed by **the word of God**, so that the things which are seen were not made of things which are visible.

Matt 21:18-19 Now in the morning, as He returned to the city, He was hungry. 19 And seeing a fig tree by the road, He came to it and found nothing on it but leaves, **and said to it**, "Let no fruit grow on you ever again." Immediately the fig tree withered away. In the same manor, good frequencies give life to plants.

Sept 12, 2015 was the weekend of our **14-year anniversary** and it was also Rosh Hashanah, aka the **Feast of Trumpets** or Yom Teruah. We were coming off a 7 day fast. Saturday night was our praise and worship celebration. We were instructed by the Lord to pray and proclaim the Word of God and then all stand silent for 7 minutes not saying a word. This was in accordance to **Rev 8:1-6** The Prelude to the 7 Trumpets.

At the end of 7 minutes we shouted, blew our trumpets and God's glory filled our tabernacle. From this event, the Lord gave us (LSC) a "**Trumpet Voice**" from **Isa 58:1** "*Cry aloud, spare not; Lift up your voice like a trumpet; Tell My people their transgression, And the house of Jacob their sins.*"

When we gave our teruah shout and blew our trumpets something very powerful happened. Some of us expected to actually "see" God's glory cloud. The next day in prayer, one of our Leaders was inquiring to God, "Where was the glory cloud?" This is what the person heard, "My glory cloud was there. It was in the sound waves of the teruah." The waves were **layer upon layer** and so thick this Leader felt totally consumed and wrapped with the sound waves that they could not feel themselves, or even if they were shouting. They said the sound waves blended together with their physical being and there was no separation between the two.

Gluon: Several days later on Sid Roth I heard Tom Horn and Chris Putnam talking about how some of the most powerful experiments of all time are now taking place in South East France (CERN). One of the things they are studying is a concept called "Gluon". Particle physicists are studying subatomic particles, trying to figure out what holds energy molecules together because being total motion, they should disburse. Our bodies are made of energy molecules, so what is holding us together? **Gluon is the study of over-lapping sound waves that are so tight they hold everything together!**

Not only did God's frequencies (spoken Word) create everything, they hold it all together! Scientists are confirming God's Word! Frequencies have energy. Our faith gives power to frequencies (Mtt 21:21). This concept of sound waves being "layer-upon-layer" is exactly what we experienced when we were given our Trumpet Voice!

WARNING!

There are healing frequencies, but we have to be careful because of "New Age" teachings that remove God from the process. Many advancements have been made, but we must approach with caution. New Age focusses from within "self" to channel these healing frequencies. We as Christians focus on Jesus and the power of the Holy Spirit.

Stay away from Chakra, Reiki, Chi and other "energy healings"

Anything that relates to your "**third eye**" is dangerous. This is part of Chakra, a Hindu and Buddhist practice. They consider it the center of spiritual power for the human body and relates to the number 7. Reiki is based on Chi which is a universal life force. Reiki is a "hands on healing" technique. This is a part of yoga and eastern meditation. Your third eye is the seat of your soul. This is all to connect you to the universe as you "ascend" to a higher level; this is Luciferian.

Notice how similar these practices are to Biblical concepts; a spiritual life force (the Holy Spirit), laying on of hands for healing, your soul, the number 7 and the list goes on. Beware! These are all part of the occult; Luciferian Ideologies. Music is a frequency and can be good (life-giving) or bad (life-draining). God's frequencies will drive away demonic spirits. Satan's frequencies will draw demons looking to drain the life out of people.

Music cords A G B D F produce a certain pitch. Nature reflects God's frequencies to give life; example of the bee.

1 Sam 16:14-16 *But the Spirit of the Lord departed from Saul, and a distressing spirit from the Lord troubled him. 15 And Saul's servants said to him, "Surely, a distressing spirit from God is troubling you. 16 Let our master now command your servants, who are before you, to seek out a man who is a **skillful player on the harp**. And it shall be that he will play it with his hand when the distressing spirit from God is upon you, and you shall be well."*

Dan 3:4-6 *Then a herald cried aloud: "To you it is commanded, O peoples, nations, and languages, 5 that at the time you hear the sound of the horn, flute, harp, lyre, and psaltery, in symphony **with all kinds of music**, you shall fall down and worship the gold image that King Nebuchadnezzar has set up;" Most secular music destroys spiritual health.*
