“Shot Heard ‘Round The World”

Is Civil War about to break out in America? We do not advocate for violence and we pray for peace. With that said, the tensions in America are very high especially since the assassination attempt of presidential candidate, and former president, Donald J. Trump. Primarily, the Civil War was fought to free the slaves. Today people are “awakening” to the truth; the Deep State has taken control of much of our government, businesses, education, media, military and unfortunately some churches. As people see the Truth, the Deep State (Marxist-Luciferians) will fight to keep control...even if that means another Civil War or even WWII. People are slaves to their deception as they use a two-tiered legal system to violate our God-given unalienable Rights. Their mantra; **“If you tell a lie often enough, soon it becomes the truth.”** Perhaps their greatest weapon is the **Main Stream Media**.

Dr. Ben Carson recently said, “A great test of the power of the media to take someone who was formerly universally disliked and transform them into a god-like figure and they will use everything they have to try to do that. The question is are the American people smart enough to see through it?” He was talking about Kamala Harris.

Matt 24:10-12 *And then many will be offended, will betray one another, and will hate one another. 11 Then **many false prophets** will rise up and deceive many. 12 And because lawlessness will abound, the love of many will grow cold.*

Dr. Lance Wallnau said the “*many false prophets*” are the Main Stream Media leading the masses astray.

Donald J. Trump; “The Olympics ceremony was a Satanic drag show. They were mocking God, Christians, and Christianity. I will stop this sickening **Satanism** on day one! No President has fought for Christians like I have! Boycott the Olympics. **Christ is King.**” We said 2024 is the year of decision for the individual and national governments (**1 Kings 18:21**).

“**Shot Heard ‘Round The World**” is a famous statement that relates to America’s Revolutionary war for freedom against King George III of Great Britain who was a tyrant. Our Founding Fathers were facing the same problems we are having today in America. The main difference; back then the corruption was more obvious. Today many people see some corruption, but are mostly living an illusion of freedom. **“The Awakening;” Deep State, Marxism to Satanism.**

“**Shot Heard ‘Round the World**” is a reference to the first shot fired in the American Revolution on April 19, 1775. The British knew many weapons for the Patriots were stored in Concord, so the orders were given to march on Concord. “The British are coming!” was never really shouted out, but Paul Revere galloped to warn his fellow countrymen.

A small group of Patriot militia men assembled together to head-off the British army at Lexington. The two troops faced one another with each side hesitant to take the first shot. Finally the **famous shot is fired** and nobody knows who fired it! A small skirmish ensued with 8 Patriots killed and one Brit injured. The Patriots backed down and the British Red Coats continued to Concord. By this time a great number of minute men militia had assembled and overwhelmed the British chasing them back to Lexington. This led to the signing of the **Declaration of Independence, July 4th, 1776**. The Revolutionary War lasted 8 years from 1775 to 1783. Not even 100 years later, the Civil War started on April 12, 1861 and lasted until May 26, 1865. **Both wars were for freedom!**

July 13, 2024 Former President Donald Trump Assassination Attempt. This created a paradigm shift. Many headlines read “**A shot heard around the world**” comparing the significance of this attempted assassination shot(s) to the one that initiated the Revolutionary War. Julie Green prophesied 3x in 2022 that “**A shot heard around the world**” will be in the headlines. **Amos 3:7** *Surely the Lord God does nothing, Unless He reveals His secret to His servants the prophets.*

March 3, 2024 Sunday Message “Declare and Release God’s Authority” We are not political, but governmental! **Dan 7:25-27** *He shall speak pompous words against the Most High, Shall persecute the saints of the Most High, And shall intend to **change times and law**. Then the saints shall be given into his hand For a time and times and half a time (3 ½ years). 26 'But the **court shall be seated, And they shall take away his dominion, To consume and destroy it forever.** 27 Then the **kingdom and dominion, And the greatness of the kingdoms under the whole heaven, Shall be given to the people, the saints of the Most High.** His kingdom is an everlasting kingdom, And **all dominions shall serve and obey Him.**' God through the Bible and Original Intent of the Constitution has given dominion (authority) to the people.*

It has been almost **3 ½ years** of lawlessness and rampant defiance of the natural order of God as politicians have been pushing for abortion up to **27 days after birth**, while at the same time imprisoning those who are praying for the life of babies on a sidewalk. The penalty for praying? Up to 11 years in prison. For 2,000 years all of Western Civilization has celebrated marriage being between a man and a woman. Pedophilia is the “new normal” as states like New Hampshire discuss changing laws that prosecute pedophiles as our culture changes the name to “minor attracted persons.” The Marxist-Luciferians are attempting to **change times and the law!** They want a “New Age of Enlightenment.”

April 13, 2024 Lansing, MI, Capitol Building Steps; “Don’t Mess With Our Kids!”

Being at the seat of authority for the State of Michigan, with hundreds of witnesses and being recorded, I knew I was called to use our “Trumpet Voice” (Isa 58:1) to warn our government to repent. This is part of that warning:

“Any laws that contradict the moral code of God’s divine laws, carry no authority from God being unconstitutional and are considered lawlessness.

Therefore: *We call heaven and earth as witnesses today against you, that we have set before you life and death, blessing and cursing; therefore choose life, that both you and your descendants may live;* **(Deut 30:19)**

Therefore; let it be known today, Michigan Legislators, Judges and Executive Branch, who support laws that are in violation of God’s laws, being immoral, causing child abuse, taking the life of the innocent:

You have made your choice clear, a Marxist government based on Luciferian ideology over a Constitutional Republic based on Biblical Ideology. You have spoken pompous words against the Most High, calling evil good and good evil. The heavenly courts have been seated. **The writing is on the wall** and you have been found wanting. God is removing your **dominion** and is giving it to the saints of the Most High!

Therefore: I beseech all people in government who have been operating under the guise of “Democracy” that is actually shrouded in Marxism, who have been warring against the Word of God; **Repent!**

We decree: Your eyes are opened! You are turning from darkness to light, from the power of Satan to the power of God, that you may receive forgiveness of your sins! Put your trust and hope in our Lord Jesus Christ, not in your political position!”

June 30, 2024 Sunday Message; God’s Dominion Authority

In my opening statement I said, “**This July, something is breaking for freedom, something good!**” I again referred to Daniel 5:26-28 and Dan 7:25-27 how for 3 ½ years the governmental system would speak pompous words against the Most High and the dominion would be given to the Saints.

“This July Something is breaking for freedom” “God is removing your dominion and giving it to the Saints”

March 15, 2024 *Brandon Biggs prophecy about President Trump with Amanda Grace, Steve Cioccolanti You Tube

*Bullet flew by his ear, shattering his eardrum. *He falls down to his knees and worships the Lord. *He got radically born again, on fire for Jesus. *The Lord said; “I am not done with America.” *A new wave of **patriotism** coming out, a red wave coming out of **Michigan**. ***Oklahoma** had torches, raising them up, bring forth a **new patriotism upon the nation**, that kept spreading throughout the nation. *Trump wins the election. *Great economic crash, worse than the Great Depression. In this prophecy, Brandon only mentions two states: **Michigan and Oklahoma**.

(We The County is a Patriotic movement and our book “We The County A Way of Life Ensuring Liberty Protecting Our Children” highlights the **Patriots**). LSC, we are a part of this movement of patriotism coming out of Michigan!

June 27, 2025 Oklahoma State Superintendent of Schools Ryan Walters “New Patriotism Upon the Nation!”

“My staff has been looking at statute. We’ve been looking at academic standards. Multiple occasions the Bible is a necessary historical document to teach our kids about the history of our country and of our legal system. We’re talking about one of the most foundational documents for the constitution in the country...We will be issuing every district, every teacher, every classroom will have a Bible. We will be teaching from the Bible in the classroom to ensure this historical understanding. Therefore, every student of Oklahoma is in accordance with academic standards and state law.”
