Clean House II

The battle is about to intensify as we continue to praise God. He is going to **“clean house.”**

My house, the Church house, the Schoolhouse, the Greenhouse, the Courthouse, and the White House and.... God will use many people to do this (in America), especially President Trump and RFK Jr. They are not our Savior, but I believe they are being used of God to “clean house.” The Government of Jesus Christ will be established with Judgment and Justice (**Isa 9:6,7**). The complete manifestation of the Kingdom of God (the government of Jesus Christ) will not happen until Jesus returns. We are in transition. Babylon is falling. Rapture pending.

The Prophecy of the Great Anointing Oil: Kings, Priests and Prophets

Isa 10:24-27 “...27 *It shall come to pass in that day That his burden will be taken away from your shoulder, And his yoke from your neck, And the yoke will be destroyed because of **the anointing oil**, (God’s anointed).*

Just like God delivered Israel from Egypt and Gideon-Israel from the Midianites, He shall do it again through the anointing oil. This is symbolic of **Kings, Priests and Prophets** functioning in their separate offices, but flowing as one.

Kings are the civic-governmental authority

Priests are the spiritual-religious authority

Prophets are the Word of God, especially the prophetic Scriptures

Rev 5:10 *And have made us kings and priests to our God; And we shall reign on the earth.”*

Simply put, when the government, and the Church work together, being led by the Word of God, God’s anointing oil will be poured out, breaking every yoke of bondage. This will lead to a great revival. This happened during the time of our Founding Fathers signing the Declaration of Independence. Unfortunately, 11 years later at the signing of our U.S. Constitution, our newly found freedom was being infiltrated by bad actors, many of whom were Free Mason.

Church: Strong’s #1577, *ecclesia* (ek-klay-see-ah); an assembly of citizens, a calling out, a popular meeting, a religious congregation, assembled together, Christian community of members on earth or heaven. The Greek word *ecclesia* was 700 years old when Jesus used the term (**Matt 16:18**) to describe what He was building. It was not a “Christian” or religious word. It was used by the Romans to represent the **legislative and judicial branch of their government**. As Christians, we are to release the authority Jesus has given us back into our government to protect our God-given unalienable rights. The Church are the ones who carry the government on their shoulders as being joint heirs with Christ thus fulfilling the **Isa 9:6,7** the prophecy of Jesus Christ.

This is not about politics. It is about God’s delegated governmental authority. This is not about a Theocracy where the government and the Church becomes one; this will only happen when Jesus returns. The Church and our civil government are separate entities, but the Church recognizes our God-given unalienable rights and enshrined them into our Declaration of Independence and our U.S. Constitution. All 50 states have a state constitution which contains a Preamble. This sets the tone for the rest of the document. Every single Preamble acknowledges God.

President Trump made several videos that are **prophetic decrees**. These were made against the Deep State which is a Marxist-Luciferian system over America and the world.

President Trump is the civil-governmental authority, the Christians are the spiritual-religious authority and the Bible is the Word of God. These are now working together to take down the Deep State.

President Trump said he will “Clean Out” all corrupt actors and dismantle the Deep State (watch 3 minute video)

The Deep State is a Marxist-Luciferian system that combines a Marxist type government with Luciferian ideology and practices. It is in direct opposition to a Constitutional Republic government that is based on Biblical ideology.

President Trump's Plan to Protect Children from "Left-Wing Gender Insanity"

<https://www.youtube.com/watch?v=C1lugbpMKDU>

"The left-winged gender insanity being pushed on our children is an act of child abuse. Here's my plan to stop the chemical, physical and emotional mutilation of our youth."

"On Day-1 I will revoke Joe Biden's cruel policies on so called gender affirming care. A process that includes giving kids puberty blockers, mutating their physical appearance and ultimately performing surgery on minor children."

"I will sign a new Executive Order instructing every federal agency to cease all programs that promote the concepts of sex and gender transition at any age."

"I will ask congress to permanently stop federal tax payer dollars from being used to promote or pay for these procedures and pass a law prohibiting sexual mutilation in all 50 states."

"I will declare that any hospital or healthcare provider that participates in the chemical or physical mutilation of minor youth will no longer meet federal health and safety standards for Medicaid and Medicare and will be terminated from the program immediately."

"Furthermore, I will support the creation of a private right of action for victims to sue doctors who have unforgivably performed the procedures on minor children."

"The Department of Justice will investigate Big Pharma and the big hospital networks to determine whether they have deliberately covered up horrific long-term side effects of sex transitions in order to get rich at the expense of vulnerable patients."

We will also investigate whether Big Pharma or others have illegally marketed hormones and puberty blockers which are no ways licensed or approved for this use.

"My Department of Education will inform states and school districts that if any teacher or school official suggests to a child that they could be trapped in the wrong body, they will be faced with severe consequences including potential civil rights violations for sex discrimination and the elimination of federal funding."

"As part of our new credentialing body for teachers we will promote positive education about the nuclear family, the roles of mothers and fathers and celebrate rather than erasing the things that make men and women different and unique."

"I will ask Congress to pass a bill establishing that the only genders recognized by the United States government are male and female and they are assigned at birth. The bill will also make clear that Title IV prohibits men from participating in women's sports and we will protect the rights of parents from being forced to allow their minor child to assume a gender which is new and an identity without the parent's consent."

House Swept Clean...and A House Divided

Luke 11:24-26 *"When an unclean spirit goes out of a man, he goes through dry places, seeking rest; and finding none, he says, 'I will return to my house from which I came.' 25 And when he comes, he finds it swept and put in order. 26 Then he goes and takes with him seven other spirits more wicked than himself, and they enter and dwell there; and the last state of that man is worse than the first."*

We can put Patriots into office and write laws, but if we "clean house" and do not fill it with the Word of God, looking to Him as our Divine Providence, Supreme Judge, Creator and Giver of Rights our victory will be short lived. We must not back down, appease the Liberals, cave to the Progressives and bow to the Wokafarians. Jesus is Lord! America is under the Jurisdiction of Jesus Christ and the government is on His shoulders! Babylon has fallen! His Kingdom come!
