

Alliance Missions

Let's talk about France

- Population: 64,704,000*
- Less than 3% of the people who live here have a relationship with Jesus*
 - **according to the Joshua Project*

The Needs:

- The spiritual void
- The gaps in cultural diversity
- The lack of discipleship

The Vision:

- Our hope is to see the people of France live abundant lives that can only be found in connection with their Creator.

The Strategy:

- The Creative Arts
 - Culture and art are highly prevalent in France. The creative arts are a tool to build bridges to the gospel.
- The Community Center
 - There is a community center focused on reaching North African immigrants through tutoring, food distribution, language study, and more.
- Short-Term Teams & Internships
 - Opportunities are provided for short-term teams and individuals seeking to be immersed; to learn more about cross-cultural missions and explore their own roles in the Great Commission
