

## The 3 Branches of Government: Constitutionally and Biblically

Our Government in America has 3 branches that are a paradigm of God's 3 branches of government; Holy Spirit, God and Jesus. Our Government calls these 3 branches the Legislature (Congress), Executive (President and his Cabinet), and Judicial (Judges). The 3 branches of government are explained in the U.S. Constitution which can only function through a moral people because the entire system is based on God's Ten Commandments.

**The Supreme Law:** The U.S. Constitution is called "The Supreme Law of the Land." The Judeo-Christian Bible is called "The Supreme Law of Heaven and Earth." These work together through the Supremacy of Jesus Christ. **Isa 33:22** (*For the Lord is our Judge* (Judicial), *The Lord is our Lawgiver* (Legislative), *The Lord is our King* (Executive); *He will save us*;

Our freedom in America comes from our God-given unalienable rights as expressed in our Declaration of Independence and our U.S. Constitution. This is based on God's moral code as stated in the Judeo-Christian Bible. For people to be free and dwell in relative peace and safety, there must be an **accepted morality** of how to treat others. Remove that morality, and chaos reigns resulting in the justification of heavy restraints upon the people to "keep the peace," leading to Marxism. Every Marxist, Communist, and Fascist government is birthed out of chaos, fear, greed, violence, and civil unrest. These are all anti-Word-of-God concepts. They are Luciferian/Satanic in nature. The "thief" is Satan and he comes to **steal, kill and destroy**. Jesus comes to set us free and give us abundant life, liberty and the pursuit of happiness.

**John 10:10** *The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.*

The **Declaration of Independence** reflects the **mission of Jesus**:

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their **Creator** with certain **unalienable Rights**, that among these are **Life, Liberty and the pursuit of Happiness** – That to secure these rights, Governments are instituted among Men, deriving their **just powers** from the consent of the governed,"

Groups like Black Lives Matter and Antifa took over cities in violent protests and riots, mostly in 2020. They looted and **stole** millions of dollars of merchandise. People were **killed** and many injured. They **destroyed** federal buildings, business, police cars, public cars and caused billions of dollars in damages. They came to "**steal, kill and destroy**" yet the Democrat officials said they were "peaceful protesters." BLM is a Marxist organization that had support of the Democrats.

James Madison, the 4<sup>th</sup> President of the U.S. wrote: "We have staked the **whole of all our political institutions** upon the capacity of mankind for self-government, upon the capacity of each and all of us to govern ourselves, **to control ourselves** to sustain ourselves according to the **Ten Commandments.**"

The "**accepted morality**" of how we treat others is expressed in the **Ten Commandments** of Jehovah God. Freedom can only be maintained by people who are moral, and willing to self-govern. Freedom can never be maintained by selfish lazy people or by those who lack Biblical morality. The Woke religion (Wokaferian) is Marxist causing division and chaos.

Marxists hate God and Christians because they embrace **Biblical morality**. Millions of people in America have become Marxist and don't realize it. They have come out from being "One Nation Under God" to "One Nation Under Lucifer." They look back at the ones who remain "One Nation Under God" and shout at them, accusing them of being deplorables, haters, homophobe, racist, white supremacist, insensitive and fascists because they refuse to follow them. The Marxist are Liberals who want a new morality, one that doesn't believe in sin, one that sexually indoctrinates and traffics our children and one that basically defies and violates the Word of God.

Our Government in America is derived from the Government of God. Our Founding Fathers designed the U.S. Constitution on God's government. Holy Spirit is the Legislative, God is the Executive, and Jesus is the Judicial. God gave us our unalienable Rights, so man constantly fights to remove God from government.

Freedom isn't free; it cost the blood of Jesus Christ and those willing to die to keep it. I am celebrating the 4<sup>th</sup> of July all month long as "Freedom Month."
