## The Wealth Transfer

**World Watch:** The **IRS stated** churches can endorse political candidates without losing their tax-exempt status. This does not violate the 1954 Johnson Amendment that instituted the 501C(3) status. This can be done through being part of the normal religious activities and customary communication channels. This opens the doors for churches being involved with governmental issues.

**Wealth Transfer:** This is not a “get rich, name it and claim it, prosperity Gospel message.” This is a deeper understanding of the Abrahamic Covenant of God’s righteous laws written in our heart as we acknowledge Him as Sovereign, Provider and Protector and Jesus Christ as King of Righteousness after the Order of Melchisedek. In other words, “live righteously, honor God, and you will prosper!”

The Bible tells us of a “wealth transfer” from the wicked to the just (righteous). This is now happening. It is manifesting through many avenues upon our nation and upon individuals. This doesn’t mean everyone is getting rich. It means there will be an abundance of substance where no one will lack and all will give glory to God for His provision. This will lead to many salvations as all see the goodness of God. BUT challenging times are coming (a shaking).

**Isa 45:1-3** *"Thus says the Lord to His anointed, To **Cyrus**, whose right hand I have held — To subdue nations before him And loose the armor of kings, To open before him the double doors, So that the gates will not be shut: 2 'I will go before you And make the crooked places straight; I will break in pieces the gates of bronze And cut the bars of iron. 3 I will give you the treasures of darkness And hidden riches of secret places, That you may know that I, the Lord, Who call you by your name, Am the God of Israel. Is God still the God of Israel? Absolutely! President Trump is a type of Cyrus. \*\*Go to our blog: <https://wethecounty.org/the-king-cyrus-trump-paradigm/> King Cyrus delivered God’s people from Babylonian captivity, just as President Trump will be used by God to bring down Babylon!*

**Job 27:16-17** *Though he heaps up silver like dust, And piles up clothing like clay — 17 He may pile it up, but the just will wear it, And the innocent will divide the silver.*

**Isa 60:4** *Then you shall see and become radiant, And your heart shall swell with joy; Because the abundance of the sea shall be turned to you, The wealth of the Gentiles shall come to you. 6 The multitude of camels shall cover your land... They shall bring gold and incense...And they shall proclaim the praises of the Lord. 7 All the flocks of Kedar shall be gathered together to you, The rams of Nebaioth shall minister to you; They shall ascend with acceptance on My altar, And I will glorify the house of My glory...Their silver and their gold with them, To the name of the Lord your God, And to the Holy One of Israel, Because He has glorified you. 10 "The sons of foreigners shall build up your walls, And their kings shall minister to you; For in My wrath I struck you, But in My favor I have had mercy on you. 11 Therefore your gates shall be open continually; They shall not be shut day or night, That men may bring to you the wealth of the Gentiles, And their kings in procession.*

**Eccl 2:26** *For God gives wisdom and knowledge and joy to a man who is good in His sight; but to the sinner He gives the work of gathering and collecting, that he may give to him who is good before God. This also is vanity and grasping for the wind.*

**Prov 13:22** *A good man leaves an inheritance to his children's children, But the wealth of the sinner is stored up for the righteous.*

**Deut 8:18** *"And you shall remember the Lord your God, for it is He who gives you power to get wealth, that He may establish His covenant which He swore to your fathers, as it is this day.*

**The Federal Reserve Act** was passed in 1913 and gave control of our banking/monetary system to privately owned banks with some government oversight from the “Board of Governors” called “The Feds.” There are 12 regional Federal Reserve Banks. These regional banks are set up like private corporations. Member banks (commercial banks like JPMorgan Chase, Citibank, etc.) are required to purchase stock in their regional Federal Reserve Bank as a condition of membership. The United States is 33 trillion dollars in debt. The Feds can simply print more money which causes inflation. The Feds control the interest rate on money. Many people believe the Deep State controls the Feds and this banking system must be replaced as it holds people in bondage.

**CBDC: Central Bank Digital Currency** is a great concern. According to Matt Staver of Liberty Counsel; “Economists are sounding the alarm on the **Marxist-inspired globalist plan** to replace cash with a programmable digital dollar known as a Central Bank Digital Currency (CBDC). According to a report by two of the world’s top economists, “CBDCs pose a substantial threat to financial privacy, financial freedom, and the very foundation of the banking system.” The House passed HR 1919, and now the Senate is poised to vote on S 1124, the **Anti-CBDC Surveillance State Act**. Our financial privacy and freedom will ONLY be safe from globalist control if the Senate passes this act NOW to *permanently* ban CBDCs! CBDCs come with “risks that cannot be ignored,” according to a report by two highly acclaimed economists, Nicholas Anthony and Norbert Michel, who warn that “a CBDC would provide countless opportunities for the government to control citizens’ financial transactions.”

In March 2022, Joe Biden issued Executive Order 14067, in which the Biden administration ordered the Federal Reserve (the Fed) to develop a replacement for paper and coin currency with a digital programmable dollar known as a “Central Bank Digital Currency” or CBDC. **The very first section of Biden’s executive order says this new currency will be used for, among other things, “human rights; financial inclusion and equity; and energy demand and climate change.”** Upon taking office this term, President Trump issued his own executive order banning CBDCs — but that order will ONLY last as long as Trump is in office.”

**NESARA:** National Economic Security And Reformation Act are a set of proposed economic reforms for the United States suggested by Harvey Francis Barnard in the 1990s. Barnard, an engineering consultant with a PhD in systems theory, outlined these reforms in his book *Draining the Swamp: Monetary and Fiscal Policy Reform* (1996). The proposals aimed to stabilize the U.S. economy by replacing the income tax with a national sales tax, abolishing compound interest on secured loans, and returning to a bimetallic currency (gold and silver-backed). Barnard believed these changes would eliminate inflation and promote economic stability. The proposals were never introduced in Congress and remained a theoretical exercise. -Grok

**NESARA** has recently resurfaced suggesting the elimination of the IRS, all credit debt, and create a new U.S. Treasury backed with precious metals, and programs to help the elderly. Some claim this to be a “conspiracy theory,” but could this be part of the “wealth transfer?”

**QFS: Quantum Financial System** is designed to replace the fiat dollar monetary system that is operated by the Deep State Cabal. This is supposed to be a decentralized, secure, and transparent person-to-person system without a third party banking system. It is backed with gold, silver and other assets. The hope of the QFS is to transfer the wealth of the Cabal back to the people as they are set free from the bondage of the fiat dollar. QFS is the operating system for all financial transactions. This takes a lot of electricity to operate.

**God owns everything and is in control!**

Through the Abrahamic Covenant we acknowledge Him as Sovereign, Provider and Protector and Jesus Christ as King of Righteousness after the Order of Melchisedek. Live righteously, honor God, and you will prosper! Is Jesus Christ the Lord of your life?
