LSC 24th. Anniversary: A Turning Point

We connect what is happening around us to the Bible so we can have a better understanding of how to respond to advance the Kingdom of God. The assassination of Charlie Kirk, founder of "Turning Point" will be a **major shift** in the battle against the Marxists-Luciferians. Many people have told me "I don't normally get emotional about these things, but this is different. I am grieving, and have a heavy spirit." America has suffered a great loss, but God will use it for His glory. We must be cautious with how we respond to events like this. Could this be an attempt to start a civil war? Bots from China and Russia are "gaslighting" this event.

One of the shell casings read; "Hey fascist! Catch!" Another had Antifa symbolism. Marxism 101: If you tell a lie often enough it becomes the truth. Accuse the enemy of what you are guilty of. Politicians, MSM and social media have repeated again and again President Trump and his supporters are "Fascist." President Trump and his supporters are anything but Fascist. The Liberal-Progressives **use emotions** to control and manipulate people. This overrides their logic and reasoning so they are easily deceived. **Hatred, anger and fear** not only hinders our reasoning, it hinders our connection to the Holy Spirit. The Deep State has been "radicalizing" people for years, especially college age students. Tyler James Robinson, 22-year old, is the primary suspect who people say has been "radicalized."

The Deep State Cabal is in panic mode because America is waking up to the truth and growing stronger. This is a MAJOR event, a "Turning Point" in the war against evil as we stand for our God-given unalienable rights. There is not going to be a coming together "Kumbaya" moment for America, but there will be for Christians and Conservatives. People are being brought to a decision: A Marxist government based on Luciferian ideology or a Constitutional Republic based on Biblical ideology. This will ultimately lead to a decision for or against Jesus Christ. We are in a war and God is separating the wheat from the tares.

Life Song Church "In The Beginning"

April 8, 2001 was our first Sunday service in Sandusky at a building called "The Beacon." God created a "turn-key" church in 7 days called "Lights of Hope Ministry." Several months later on **9-11-01**, the attack on our Twin Towers and Pentagon shook the nation. Several of us gathered at the Beacon to pray. I was prostrate on the floor, asking for forgiveness for our Country and for God's grace and mercy to be upon us. I heard in my spirit "This is why Lights of Hope Ministry was created, God has a plan."

Fast forward 19 years to Jan 2020:

In his monthly devotional book "Sapphires" Rabbi Jonathan Cahn asked the prophetic question about America and the 9/11 terrorist attack: "9/11 was a warning from God to America to repent, but instead, the moral decay has increased. **America is in a paradigm** reflecting what happened in Israel back in 605 B.C. when the Kingdom of Judah was breached by Babylon. It was a limited invasion and a warning from God, but the nation did not turn back to God. **19 years** later in 586 B.C., the full judgment of God came and the city of Jerusalem was destroyed. **19 years** from September 11, 2001 will be in 2020. He asks, "**Will we see judgment, revival – or both?**" He warns that no matter what happens in 2020, "A nation that abandons the **God of its foundation** is heading toward calamity."

Before I knew anything about Jonathan Cahn's **19-year paradigm** about Judah and America, we prophetically answered this question.

December 29, 2019 Sunday message we prophesied for 2020 before Covid-19 and the riots:

"America's **civil authority** and **religious authority** will come together as One...The **foundation** of America and our Constitution is faith in Jesus Christ (Christianity). The **foundation has been breached**, but God's Two Witnesses have interceded for Christians in America. The Two Witnesses have stood in the gap and God will raise up the foundations **repairing the breach**...a nation that again holds fast to the "**original intent**" of the Constitution, acknowledging America

is a Christian nation, a true Republic, and being such, it gives the individual right to choose whom to worship. The spiritual “**Tabernacle of David**” will be restored as God’s people will worship Him in spirit and in truth with unashamed-expressive worship, as God fills His tabernacles with His presence and glory. Those who oppose the Word of God will scream louder than before and the **division in America will increase**. The lies of the enemy will **deceive many** and result in **great civil unrest and chaos**. Supernatural signs and wonders will soon be taking place in the heavens and on earth. Those who have a **desire** to see the Truth will see it.” The Two Witnesses are symbolic of Zerubbabel (governor civil authority) and Joshua (High Priest religious authority). **Zech 4:14** “*These are the two anointed ones, who stand beside the Lord of the whole earth.*”

May 10, 2020 Mother’s Day Message: “Revival Through Women Warriors” prophesying the women will be the first to stand up and protect our children from this demonic attack. They are the Queen Esthers. Many women movements emerged and entered the battle. The women were courageous from Front Line Doctors, bloggers, house moms, a few politicians, scientist, whistle blowers, and the list goes on. We also prophesied many would leave the side of darkness and come over to the Light. Thanks to Charlie Kirk, Patriots and others who are standing up for the truth, that is happening.

Sept. 13, 2020 at our 19-year anniversary we launched **We The County**. The majority of WTC County Leaders were female and the majority of grassroots Patriots were female (in the state of Michigan). WTC are the “boots on the ground” releasing God’s authority back into government, schools and culture. Faith that works.

April 27, 2024 Sunday message: Courage to Face the Fire. This is the same speech I gave at the Sanilac GOP Lincoln Day Dinner just days before. “I stand here before you as a Christian, a husband, a father, a pastor and a patriot...As a Pastor and a Patriot, I see the “Mama Bears” standing strong for their children, but where are the men, the Fathers? Where are the “Papa Grizzlies?” Where is the roar of the Lions?” For much of 2024 we proclaimed and “called forth” men to stand up!

More LSC History

From the start, God put it on our heart to be a ministry that would bring the churches and pastors together in the Thumb. We started looking for a location near M-46 and M-53 which is the middle of the Thumb. In 2006 we bought an old farm house with a shed, garage, and 8 acres of land. It took about 1 year to remodel the shed into a church. September 2, 2007, we had our first Sunday service at our new location with our new name “Life Song Church.” We believed the Lord directed us to celebrate our anniversary on the second weekend in September. Three months later on Thanksgiving morning during my prayer time, God gave me a vision and a mandate: “Ignite the Thumb with Praise and Worship.” *see our booklet “Ignite The Thumb With Praise And Worship.”

January 2014, our “I Am A Kingdom Builder” booklet was released so we could all pray in unity to build God’s Kingdom. There are specific prayers to pray Monday-Friday.

This is from page 12, praying for America:

“Father, I humble myself, pray and seek **Your** face, I turn from my wicked ways and ask **You** to heal our land. Give us the wisdom and power to tear down everything that exults itself against the **Word of God** and the name of **Jesus**. Speak to our politicians that they fear **You** and honor **Your** ways. I will stand up for godly principles, walk in love, and have courage to let my voice be heard. I am not afraid to share my faith in the public square, in schools, at work and with my friends. That American’s eyes are open to the lies of the enemy and will cling to the original intent of the Constitution. That everyone will see our hope is not in our government, but in **Jesus Christ**. I pray godly men and women will rule in positions of authority and that they have godly wisdom and great faith.”

Life Song Church is not “political.” Politics puts trust in people (politicians). We put our trust in God’s governmental authority under the kingship of Jesus Christ.

All praise, power, dominion and authority belongs to the King of Righteousness, Jesus Christ Yeshua Hamashiach! Is He your Lord and Savior?
