The State Board of Wokaferians

The following article **MICHIGAN STATE BOARD OF EDUCATION USURPS PARENTAL RIGHTS & PROPOSES RADICAL K-12 "HEALTH EDUCATION" STANDARDS** is from **Salt and Light Global** working with **Citizens Defending Freedom**. This group was represented at our Time To Lead conference in Lapeer last Friday. Thank you to everyone who attended!

The information about the **Wokaferians**, is from Michael Dennis Smith. We are in a battle for our children and our freedom. The Church is supposed to be the "protector" of children, but most refuse to get involved claiming they don't want to be "political" as our children's souls are being drained of their innocence.

MICHIGAN STATE BOARD OF EDUCATION USURPS PARENTAL RIGHTS & PROPOSES RADICAL K-12 "HEALTH EDUCATION" STANDARDS

Background: In Fall 2024, a radical sex-ed overhaul bill (HB 6068) was introduced and defeated. Now, the **Michigan State Board of Education** is trying to incorporate many of the same radical ideas about sex and identity into health curriculum in K-12 grade public schools. This proposal **bypasses the legislative process** and usurps the role of parents by hiding radical, immoral teachings about sex and identity in a curriculum that parents can't opt out of or approve. Through these new **Health Standards**, children will be compulsorily indoctrinated with values that directly contradict the sincerely held religious beliefs of their families. Instead of continuing the positive, proven success of our current health education standards and sex-ed law (MCL 380.1507) that protects the role of parents, these new standards propose to:

- **Add a new requirement to teach "gender" and "sexual identity,"**: It teaches K-12 children about "gender identity, gender expression, and sexual orientation, and explains that they are distinct components of every individual's identity." (8.2.SH, Section 1, Page 32) This framework falsely presents the LGBTQ+ lifestyle as moral, & normal.
- **Normalize False Understanding of Identity:** Teachers must "Explain how biological sex gender identity, and gender expression are distinct concepts and how they interact with each other." (8.2.SH, Section 2, Page 32)
- **Teach Children to Embrace Same Sex Attraction:** Teachers must "Explain that romantic, emotional, and/or sexual attractions can be towards an individual or the same gender and/or different genders(s), and that attractions can change over time." (8.2.SH, Section 3, Page 32)
- **Train Children to Make Health Decisions Without Parental Involvement:** Teaches minors about laws relating to "young people's sexual health and the rights of adolescents to maintain their own health" including "decisions related to sexual health." (8.4.SAF, Section 4, Page 34)
- **Normalize Abortion as "Reproductive Health":** refers to the assessing "validity" and what is "credible" sexual information, without articulating a standard for those words. Contextually, it seems likely that this standard will promote abortion as "reproductive care," deny the science of biology, and undermine the values of individuals of Judeo-Christian scripture and related teachings. (8.3.SH, Section 1-2, Page 34)
- **Train Children to Become LGBTQ+ Advocates and Activists:** Employs critical theory language to teach children about "health equity", sex-based "stigma", and LGBTQ injustices. (5.6.CEH on Page 27, 8.1.CEH on Page 30) "Promote[s] personal, family and community health and well-being" through "fostering empathy, inclusivity, and respect around issues related to gender and sexuality", teaching children to "support school and community programs" that affirm LGBTQ+ behavior, and to develop a plan for making "changes in a community." ("Advocacy and Health Promotion" 12.6.SH and 12.6.CEH, Page 51)

-End Salt and Light Global article

Note: Good video to watch: "Whose Children Are They?"

The State Board of Wokaferians: the policies and standards of the Michigan Board of Education line up with Marxist-Luciferian ideology and the Woke LGBTQ agenda, not a Constitutional Republic based on Biblical ideology.

WE ARE NOT IGNORANT OF THE ENEMY'S DEVICES!

2Co 2:11 *lest Satan should take advantage of us; for we are not ignorant of his devices.*

Wokaferian: A doctrine of the Luciferian religion, based on sexual perversion and child abuse.

They claim to be protecting and educating children through pseudo compassionate ideology like Diversity, Equity and Inclusion along with Social Emotional Learning and Critical Race theory.

Witchcraft is used to deceive people, manipulating their emotions, making them believe they are the protectors of the less fortunate as they bring about "social justice." This is done in secret casting spells.

If anyone speaks out against them, or does not agree with their narrative, they will be called a hater, prejudice, homophobe, deplorable, Marxist, racist, misogynist, uncaring and any other word they can come up with to intimidate and shame them. **Emotions will be manipulated to avoid any logical, reasonable debate (Social Emotional Learning).** They will make gender confused children and LGBTQ kids feel like victims, that they are in danger, and hated by Christians and Conservatives. Children are told their parents won't understand them, so don't tell them, and they can start a new family with people who are just like them.

When the parents ask about the well being of their child and express their concern, their emotions are again manipulated by councilors insinuating if they don't affirm the child's sexuality, they might commit suicide, when in reality, the ones who do undergo "gender affirming care" are 4 times more likely to commit suicide.

Luciferian Ideology 101: The Foundation of Marxism

1. Defy and violate the Word God openly while maintaining **Luciferian secrecy**. Call evil good and good evil (Isa 5:20), justify the wicked for a bribe and take away justice from the righteous man (Isa 5:23), reject the law of the Lord of Hosts and despise His Word (Isa 5:24). Most people who succumb to Luciferian magik are not aware of it, and the ones who are, deny its existence.

2. Sin does not exist.

3. Sexually indoctrinate all children by age 9, stealing their innocence.

4. Use emotions to manipulate critical thinking.

5. There is no absolute truth, all truth is relevant to how you "feel."

6. Lie to develop a narrative that is not true, and speak it again and again until people believe it.

7. Gender is fluid. There are no male and female distinction. You are born with a sexual identity, but you determine your "gender."

8. We are gods. We will create a perfect Social Utopia as man will be made in our image.

Karl Marx (1818-1883) wrote the "**Communist Manifesto**" and instituted "**Critical Theory**." He hated God, Christians, and the traditional family. Marx claims he "Made a pact with the Devil" and stated "The idea of God is the keynote of a perverted civilization. It must be destroyed."

It was Jan. 10, 1963, that Congressman Albert S. Herlong, Jr. from Florida read the list of **45 Communist goals for America** into the Congressional Record. **17.** Get control of the schools. Use them as transmission belts for Socialism and current Communist propaganda. **25.** Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio and TV. **26.** Present homosexuality, degeneracy and promiscuity as "normal, natural and healthy." **40.** Discredit the family as an institution. Encourage promiscuity and easy divorce. **Choose this day:** Marxism based on Luciferian ideology or a Constitutional Republic based on Biblical ideology?

We are "opening their eyes to turn them from darkness to light, from the power of Satan to the power of God that they might receive forgiveness of sin" and accept Jesus as Lord and Savior.
