Social Emotional Learning: The Victim Mentality

NOTE: We The County Mission Accomplished! We believe we have accomplished our mission and now it is time to “shift” to another platform called CitizensDefendingFreedom.com. The 4-day Liberty Pastors conference in Bay Harbor MI that I attended, confirmed this. *I sent an email to everyone explaining in more detail. *Letter at the back table.

World Watch

The Deep State big 4 system; Venezuelan Cartel, Communist China, Sharia Muslims, and the Globalists all under the Luciferian-Brotherhood Illuminati. The newly elected Mayor of New York City **Zohran Mamdani** is a self-proclaimed democratic socialist (communist). According to reports, he is a Jihadist-Sharia Muslim, who believes in the “Twelfth Imam” who is the coming Mahadi, the antithesis of the second coming of Jesus Christ. Sharia is the antithesis of our U.S. Constitution, and what the Muslims will use for global domination. The moderate peace-loving US citizen Muslim who does not want to get involve with Sharia-Jihad, will not speak out against it and if forced to choose, will embrace Sharia. Muslims who do not embrace Sharia are called apostates, and could be put to death.

Sharia is not a protected religion. It is a subversion, a sedition against our U.S. Constitution. It is questionable whether any religion that is contrary to our Constitution, is in itself Constitutional? Is it a protected religion by the Constitution when that very religion seeks to destroy what is protecting it? Is the religion in rebellion against our Constitutions? The enemy uses our “freedom of religion” clause against us, to destroy our freedom of religion. What happened in America to cause people to stand up against Christianity and Judaism when it was Judeo-Christianity that gave this county freedom of religion, and freedom of speech, through the dictates of God?

What happened? Most Pastors, the ones with God-given authority, stood by and did nothing, believing if they only focused on salvation and helping the less fortunate, everything would turn out okay. This is a gross abuse of the Gospel! Jesus is either KING OF KINGS AND LORD OF LORDS or He is just another religious figure like Mohammed, the Dalai Lama and Budda. Is the Holy Spirit only supposed to lead us on Sunday, or into our government, schools and culture?

We the Church are the government, but just like Adam and Eve, many have given their **dominion responsibility** back to Satan to run our government, our schools, our businesses, and our culture (**Isa 9:6-7**).

Many believe Mamdani will force out the Jews and Christians from New York, filling it with radical Muslims and take over the rest of the state. The open boarder policy of the Biden administration allowed millions of Muslims into our country and **they are not here to assimilate**, they are here to use our Constitution against us and take over, eventually replacing it with Sharia Law. Currently, the financial center of the world is N.Y. City...think about that. All the while, Christians have become complacent, believing President Trump is going to save them from the Deep State.

Critical Race Theory: The Victim Mentality

Social Emotional Learning (SEL) and Diversity Equity and Inclusion (DEI) and Critical Race Theory (CRT) are based in Marxism which permeates into every aspect of our lives, government, education, culture, businesses, religion, main stream media, social media and everything else. In our education system, the more parents become aware of SEL, the more our educators cover it up with new terminology. SEL, DEI and CRT is not only a threat to our children, it is a threat to all of us. It is the blueprint for **mind control** over the entire population. It is a Marxist tactic deriving its substance from Luciferian ideology: to defy and violate the Word of God. Emotions are used to manipulate people because they cloud our critical thinking. Our emotions are not only manipulated by Satan, but by the Deep State using AI, MSM, Social Media, Culture, Churches, and other organizations. At times, this is done through phycological operations known as “**physops**.” 9-11 attack on the Twin Towers was a physop. Jan 6 “insurgence” at our nation’s capital, was a physop to make Patriots look like American terrorists.

Karl Marx (1818-1883) wrote the “**Communist Manifesto**” and instituted “**Critical Theory**.” He hated God and hated religion. He hated the traditional family. Marx wanted to do away with all loyalty oaths. He believed good and evil could be combined creating a third option. He believes real change can only happen through conflict and chaos, and never through dialect alone. Richard Wurmbrand wrote a book documenting the Satanic influence underlying Marxism. He clearly reveals Marx was involved with **Satanism**. Marx claimed he “made a pact with the Devil.” Marx stated; “The idea of God is the keynote of a perverted civilization. It must be destroyed.”

Most Marxists will not tell you they are Marxists. They operate under Marxist principles, but call it something else like **Black Lives Matter**. They call themselves **Democratic Socialist**. Vladimih Lennon one of the founders of Communism stated “The intent of Socialism is always Communism.”

Critical Race Theory places people in groups according to the color of their skin. Those with white skin are called the “oppressor” and those with more color are called “the oppressed.” **Those who are oppressed are the victims**, stuck in a system that they cannot get out of until the oppressors become the oppressed through being silenced, intimidated, shamed, ridiculed and stripped of social and economic status. They manipulate emotions to bypass logical reasoning.

Emotions operate in a different area of the brain than reasoning and critical thinking. Emotions release a greater amount of chemicals into our brain than reasoning. These chemicals can alter and distort our critical thinking. That is why emotions can be deceiving and why the enemy uses them to oppress people. We are not to let our mind lead us, but we are to lead our mind, -Jonathan Cahn. The Holy Spirit is to lead us.

Rom 8:14 *For as many as are led by the Spirit of God, these are sons of God.*

Critical Race Theory creates the “victim mentality” in order to cause division, hatred, fear and chaos.

There are victims that have suffered from physical and emotional abuse. There are victims who suffered light affliction, such as rejection, harsh words, or mean emotional treatment. Then there are people who are indoctrinated into a victim mentality through **Critical Race Theory**. All victims need healing through Jesus Christ to move from victim to victorious.

A victim mentality can be indoctrinated into a person through CRT, or through emotions that operate contrary to the Word of God. It is true, life is not fair, but we have Jesus and the Holy Spirit to overcome all situations. Life is 10% what happens to us, and 90% how we respond. We all have a choice; be a victim or be victorious. It all depends on our focus and what voices we are listening to.

A victim mentality causes a person to be trapped in a way of thinking. They feel isolated, alone, anxious, angry, hopeless, and withdrawn. They believe life is unfair and that no one will understand their situation. They try hard to be a good person, but things seem to always go wrong. The blame other people for their problems.

A spirit of rejection can cause a person to feel self-consciousness, insecure, never good enough. Eventually this person will harden their heart so they stop being hurt. They no longer receive love from people or God. A hardened heart cannot be selective as to whose love to allow in. Once the heart hardens, bitterness (poison) comes in, even love from people who we select to “love” will be tainted with poison. We might feel like we love someone, but as soon as an offense comes in or anything that feels like rejection or even criticalness, we close our heart back up.

2Co 5:17 *Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new.*

Php 4:11-13 *Not that I speak in regard to need, for I have learned in whatever state I am, to be content: I know how to be abased, and I know how to abound. Everywhere and in all things I have learned both to be full and to be hungry, both to abound and to suffer need. 13 I can do all things through Christ who strengthens me.*

Is Jesus Lord of your life? Are you all in, sold out and on fire for Him and His Kingdom?
