Divide and Conquer MAGA

One of the strongest political coalitions of all time is called MAGA (Make America Great Again). This coalition was created by President Donald Trump, which started in 2015 when he first ran for President of the United States. Over the past 10 years, what he has accomplished in America and around the world is simply amazing! **This has cost him dearly** as the Deep State actors **wage lawfare against him** fabricating documents, manipulating charges, severely handicapping his ability to defend himself, prejudice judges, corrupt prosecuting attorneys, 2 impeachments and the list goes on. It cost him millions of dollars to defend himself in court. His companies have lost millions of dollars, and yet he refuses to take his salary (\$400,000) for his job as President. All the money is donated to other organizations.

The Democratic platform has one agenda: destroy Trump! Franklin Graham said "This level of hatred against President Trump is demonic." There is a name for this hatred called "**Trump Derangement Syndrome.**" It is an epidemic among Democrats and many RINO Republicans. The Main Stream Media is also suffering from TDS. They very seldom show President Trump in a favorable light, or very few of his many accomplishments. Most everything has a negative spin.

"Trump is the Deep State!"

Some people accuse President Trump of being in the Deep State. Jesus said "*If Satan casts out Satan, he is divided against himself. How then will his kingdom stand?*" (**Mtt 12:26**). Why would the Deep State (Luciferian movement) do everything they can to stop President Trump if he is one of them? They hate him with demonic hatred, they loathe him, they accuse him of being Hitler, a Marxist. He could save the world, end world hunger, and stop every war resulting in world peace and he would be accused of being the Anti-Christ, and never given credit for anything. Why would the Deep State steal the 2020 election from him if he was one of them? **Cause doubt, leading to fear, rebellion and betrayal.**

"Zionists!"

The Deep State is trying to get the MAGA coalition to turn on President Trump. One way is by causing division amongst Christians over support for the Nation of Israel. Those who support Israel's God-given right to their land, are called "Zionists" who are painted as oppressors to the Palestinians and as Imperialists. Tucker Carlson calls Christian Zionists "Heresy." As antisemitism grows, so does the pressure against Zionists. It is approaching the point where anyone who supports Israel is called a Zionist. President Trump has been accused of being under the control of Israel. We need to pray against this and stand behind our President. **Israel is internally fighting with the same Deep State that America is.** Israel's Mossad is like the CIA in America; many Deep State actors woven into leadership.

"No Forever Wars!"

Millions of Americans do not want any type of war, especially "forever Wars" like Afghanistan. President Trump ran on the principles of no more wars and being a peace maker. With America and Israel attacking Iran, many people are **turning on President Trump** concerned about repercussions such as terrorist attacks in the USA, higher gas prices, and "boots on the ground" in Iran. Most likely the terrorist attacks will increase and the Deep State will blame President Trump. They will not allude to the fact that **thousands of these terrorists** were not only let in, but **brought into** our country through the Biden administration through open borders. Many were flown in.

"Nobody is Getting Arrested!"

All the promises of arrests for those who stole the 2020 election, corrupt politicians, Pizza Gate, the Epstein Files, a two-tiered legal system, and everyone who is getting away with murder (literally), and no justice, no arrests! People say President Trump is on their side. The Deep State wants to destroy our hope, unity and progress. They shout: "It is all one big Uniparty! Don't vote! It doesn't matter, all government is 100% corrupt!" The enemy takes some truth and then twists it to gain advantage. We are not ignorant of the enemies' devices! **Stay united behind our President!**

"I Can't Believe Trump Did That!?"

From "Warp Speed" Covid vaccines, approving more Glyphosate in Round Up, not allowing RFK Jr. more authority to Make America Healthy Again, and many other questionable actions, people are starting to doubt President Trump's loyalty to our nation's freedom, health and battle against the Deep State. **Remember: we don't see what he sees.**

King David and Absalom: Justice, Revenge, Betrayal and Rebellion

Amnon Lusted for His Half-Sister Tamar

The trouble began with Absalom's full sister, Tamar (beautiful and virtuous), who was sexually assaulted by their half-brother Amnon (David's firstborn son, from a different mother). Amnon tricked Tamar into his house and assaulted her, then cast her out in shame.

2Sa 13:1 *After this Absalom the son of David had a lovely sister, whose name was Tamar; and Amnon the son of David loved her. 2 Amnon was so distressed over his sister Tamar that he became sick; for she was a virgin. And it was improper for Amnon to do anything to her.*

2Sa 13:11 *Now when she had brought them to him to eat, he took hold of her and said to her, "Come, lie with me, my sister." 12 But she answered him, "No, my brother, do not force me, for no such thing should be done in Israel. Do not do this disgraceful thing!...14 However, he would not heed her voice; and being stronger than she, he forced her and lay with her.*

King David was furious when he heard about the sexual assault, but **took no action against Amnon** (possibly because Amnon was his heir apparent or due to David's own past sins making him hesitant to judge harshly). Only a few years prior to this, David had an affair with Bathsheba and had her husband Uriah killed. The sad part, Uriah was loyal to King David, unto his death! (2Sa 11-12).

Absalom harbored deep resentment toward both Amnon and his father for **failing to deliver justice**. Two years later, **Absalom orchestrated revenge**: He invited Amnon to a sheep-shearing feast and had his servants murder Amnon during the celebration. Absalom then fled to Geshur (his mother's homeland) for safety, where he stayed in exile for three years. When he came back to Jerusalem, he made a plan to kill Amnon.

2Sa 13:28 *Now Absalom had commanded his servants, saying, "Watch now, when Amnon's heart is merry with wine, and when I say to you, 'Strike Amnon!' then kill him. Do not be afraid. Have I not commanded you? Be courageous and valiant."*

With all the years of corruption, murder, lies, Covid bioweapon, chemtrails, food poisoning, life-damaging vaccines, organ-killing pharmaceuticals, suffering, theft, fear mongering, blackmail, sexual abuse, and sacrifice/abortion of babies, **do we want justice**, or have we become so bitter and fed-up **we want revenge**? How long until we rebel against President Trump? How long before we betray him and all that he has done because everything is not going the way we think it should?

Absalom had every right to be upset with Amnon and his father King David, but he didn't have the right to kill Amnon, and eventually attempt to kill his father. Like Absalom, people will do us wrong, and they might not receive justice for their actions. This is when resentment can enter our heart, which can turn into a spirit of revenge, leading to hatred. Jesus equated the spirit of hatred with the spirit of murder.

Absalom Portrayed Himself as the "Justice Judge" Over the next four years, Absalom cleverly built public support. He acquired chariots, horses, and a retinue of fifty men to run ahead of him, projecting a royal image. Each day he positioned himself at Jerusalem's gate, **intercepting people coming for justice**. He sympathized with their grievances, claimed David had no deputies to hear cases, and subtly suggested he would rule more fairly if he were judge. Absalom "stole the hearts of the men of Israel" through this charm offensive. He then went to Hebron (where David had first been crowned king) under the pretense of fulfilling a vow, but there he declared himself king and rallied supporters. In rebellion, Absalom raised an army and went to kill his father, but he was killed in the battle, his hair caught in the thicket.

Have we ever portrayed ourselves as the **"Justice Judge?"** Have we gathered people around us as we "comfort" them for being done wrong, and assuring justice for them as we stand up to be their protector-savior? How many people will stand up **against** President Trump as the "Justice Judge" because things are not going the way we think they should? **JUSTICE will come!!! Isa 9:7** *Of the increase of His government and peace There will be no end, Upon the throne of David and over His kingdom, To order it and establish it with **judgment and justice** From that time forward, even forever. The zeal of the Lord of hosts will perform this. **We take part in God bringing justice, but we must walk in righteousness and unity.***
