Life Song Church 25th Year Silver Anniversary: The Trumpet Voice

Life Song Church is part of God's answer to the 9/11 attack on America. Hours after the attack, several of us gathered at the church to pray. I was prostrate on the carpet crying out to God and I heard in my heart "This is why I created Lights of Hope, I've got a plan." Today we are celebrating our 25th year silver anniversary, and we remember 25 years ago the 9/11 attack. The terrorist attack on the World Trade Center and the Pentagon killed almost 3,000 people, but the toxic debris killed 9,000 more and there are over 60,000 known cases of people who now suffer with cancer from this event. God has given us a "**Trumpet Voice**" to speak and declare the truth, entering into spiritual warfare, walking in God's governing authority. LSC is only a small part of God's plan and we were created for "such a time as this."

9-10-01 Secretary of Defense Donald Rumsfeld holds a press conference stating the Pentagon is missing and cannot account for \$2,300,000,000 dollars. The next day on 9/11 something hits the area of the Pentagon where some of these records are stored. The report said it was a plane, but there are no fragments or evidence of a plane.

American Airlines flight 11 struck 1 WTC building between the 93rd and 99th floor. United Airlines flight 175 struck 2 WTC between the 77th and 85th floors. 102 minutes later, both buildings imploded, just like if they were being demolished by explosives. These buildings were built to withstand impact from large planes. Instead of the main steel support coming up along the elevator shafts and building out, the steel support was on the outside of the building and it was built in. This gives the building literally "walls of reinforced steel." How could aluminum planes penetrate these walls? Never in the history of modern-day skyscrapers have a plane brought down a building, especially ones of this magnitude. NEVER!

7 hours later, 7 WTC building, a 47-story building, built much in the same manor, implodes in the same way as 1 WTC and 2 WTC, and nothing hit the building. They say the debris from the other buildings hit 7 WTC and caused a fire, which caused the building to collapse. NEVER in history has a building, such as this, collapsed from fire. Firefighters have testified of hearing several loud explosions in 7 WTC before it collapse.

9-10-25 we will never forget the assassination of **Charlie Kirk**. This was not a "single shooter" who acted alone. This was an orchestrated assassination by the Deep State. Too many unanswered questions, improbable answers, and things do not add up.

Life Song Church was birthed from a prophecy before it existed. Then in **7 days**, God made a "turn-key" church, with a full ministry team, and a full praise team, as Pastor Mike was given a key to a building called The Beacon. **In 2007, September**, we moved to our current location and celebrated our first Sunday service as Life Song Church. On Thanksgiving Day, 2007, God gave us a mandate to "Ignite the Thumb With Praise and Worship," but our greatest prophetic gifting is **The Trumpet Voice**.

2015 September 12, LSC 14-year anniversary: Saturday night Praise and Prayer Celebration; we stood silent for 7 minutes, followed by a great teruah shout, shofars, exuberant praise, and dancing! People said they felt the shout in layers of frequencies that created **one sound**, as everything blended together, and God was wrapping His arms around us! This was also the **Eve of Rosh Hashanah aka The Feast of Trumpets**. This is when God gave us a "**Trumpet Voice**." **Isa 58:1** "*Cry aloud, spare not; Lift up your voice like a trumpet; Tell My people their transgression, And the house of Jacob their sins.*" Since this time, God confirmed our "Trumpet Voice" 4 times.

1st Confirmation for our Trumpet Voice: 2016 May 5th National Day of Prayer; Jonathan Cahn Praying at the Capital. He opens with his shofar and a proclamation. The National Day of Prayer chooses **one Scripture** for the year, and it was **Isa 58:1** The Trumpet Voice! This was in the middle of our shofar-proclamation-teruah shout period.

2nd Confirmation for our Trumpet Voice: 2021 February: The Silver Trumpet A person came to me and started telling me a story about their life, as they lived in Israel for 8 years. This person has never attended a service at Life Song. This person explained how they lived a simple life in Israel, the way they did back in the Old Testament. She told me about a silver trumpet that they had and the journeys they made around Israel, **making proclamations and blowing this trumpet**. She then opened a brown paper bag and pulled out a Silver Trumpet and said, "This trumpet needs to continue its journey with you," and handed me the **Silver Trumpet**. This person had never heard about our "**Trumpet Voice**."

3rd Confirmation for our Trumpet Voice: January 18, 2024, Shechem: Life Song Church event; "Protecting God's Children; Assembly of the Thumb Pastors" we had 30 Pastors/Ministry Leaders representing all 5 counties of the Thumb. This was the **first time we blew our Silver Trumpet** at an event gathering Pastors together. At this event I explained about the government being on the "**shoulder of Jesus**" and the Abrahamic Promise/Covenant of blessing the nations and possessing the gate. Our Silver Trumpet was blown in Shechem Israel. At the time of the conference, I didn't know much about Shechem, but felt in my heart there was a spiritual significance. As I learned more about Shechem, it lined up with our meeting. **SHECHEM means "shoulder"** and a key concept for our meeting was the **government being on the shoulder of Jesus!** (Isa 9:6). In Shechem, Abraham pitched his tent and built his first altar in the Promised Land and received the first divine promise (Gen 12:6,7). We talked about the Abrahamic Covenant and how we possess the gate of our enemies!

4th Confirmation for our Trumpet Voice: Every year we choose a theme Scripture to guide us. The Scripture for 2026 is **Jer 1:17** *"Therefore prepare yourself and arise, And speak to them all that I command you. Do not be dismayed before their faces, Lest I dismay you before them. 18 For behold, I have made you this day A fortified city and an iron pillar, And bronze walls against the whole land—Against the kings of Judah, Against its princes, Against its priests, And against the people of the land.* At the time, we didn't realize how this lines up perfectly with our Trumpet Voice Scripture Isa 58:1

Life Song Church 25th Year Silver Anniversary and America's 250th Anniversary

Silver is the gift for 25 years. Several months ago, a couple made an appointment to come and speak with me at church. They gifted us with around **50 pounds of silver**, unaware of this being our **25th Silver Anniversary!** They came on March 27, which was my 44th wedding anniversary! **Silver** is symbolic of **spiritual testing** leading to redemption, purification, and prosperity.

Looking at the number "**250**" from America's anniversary, spiritually one way it would be viewed is **25 x 10**. We are seeing "**25**" as **silver**. **Ten** means; divine order, man's responsibility towards God and perhaps the greatest meaning of the number 10 is trial or **test**. **Silver** is spiritual testing and God refining us, purifying us; this is a double testing!

God is not only testing each one of us individually, and corporately as Life Song, He is testing and purifying America as He removes the dross from the silver, and redeems us back to Himself. The ultimate purification is the **blood of Christ** which was purchased for **30 pieces of silver**. Satan tried to use silver as a mockery to betray Jesus, but God used it to purify and redeem the world back to Himself. This purification destroys selfishness (sin) and in essence destroys evil. **God's fire will purify believers but destroy evil, for He is an all-consuming fire.**

SOLDIERS SERVE: Our "test" at Life Song Church: Are we a social club or soldiers for Christ? Soldiers serve. Is this your church? Please serve on a TEAM. Once per month is all we ask. As we are growing, we need to work together, in unity to pick up the Morning Star Mantle that is upon this church. Volunteer packets are on the wall in the fellowship area.

TODAY is The Feast of Trumpets, our 25th Year Silver Anniversary, and we have a Silver Trumpet from Israel!!! Let us raise our Trumpet Voice and shout to God for He is worthy to be praised!

We Decree (from **Mtt 10:26,27**) We will not fear! For there is nothing covered that will not be revealed, and hidden that will not be known. We will shout from the housetops Jesus is King!
